The Chinese Wikipedia was established along with 12 other Wikipedias in May 2001. At the beginning, however, the Chinese Wikipedia did not support Chinese characters, and had no encyclopedic content. In October 2002, the first Chinese-language page was written, the Main Page. A software update on 27 October 2002 allowed Chinese language input. The domain was set to be zh.wikipedia.org, with zh ...
