Ancillary Justice

Ancillary Justice is a space opera set thousands of years in the future, where the primary galactic power of human-occupied planets is the expansionist Radch empire. The empire uses space ships that are AIs and also control human bodies ("ancillaries") that are used as soldiers, though regular humans are also soldiers.

Imperial Radch (Literature) - TV Tropes

Ann Leckie's Ancillary Justice may not be completely unique, but it does combine a lot of interesting SciFi concepts into a new amalgamation that has something to say. Add in a tangible Jane Austen type influence to the character interactions and you've got something that stands out in modern science fiction.

Ancillary Justice by Ann Leckie | Audiobook | Audible.com

In addition to being extremely well written, there are so many dimensions to "Ancillary Justice" that it is easy to see why it won the Hugo award. On one level this is pure space opera- distant future, multi-world, heroic protagonist, conflict between good
