**Britain's Experience of Empire in the Twentieth Century ...**  
British Empire, a worldwide system of dependencies— colonies, protectorates, and other territories—that over a span of some three centuries was brought under the sovereignty of the crown of Great Britain and the administration of the British government. The policy of granting or recognizing significant degrees of self-government by dependencies, which was favoured by the far-flung nature of the empire, led to the development by the 20th century of the notion of a "British Commonwealth

**British Empire | Origins, Countries, History, & Facts ...**  
The British Empire comprised the dominions, colonies, protectorates, mandates, and other territories ruled or administered by the United Kingdom and its predecessor states. It originated with the overseas possessions and trading posts established by England between the late 16th and early 18th centuries. At its height, it was the largest empire in history and, for over a century, was the ...
