2005 YAMAHA PW50. 'Yes we suppose it does resemble a puppy, but don't be fooled. The scrappy PW50 is also the rugged little motorcycle that's taught thousands of riders the Code of Moto. (And thousands more to follow, maybe millions, judging by the way these inexhaustible little bikes get handed down to younger siblings and the kid next door.)'

Yamaha PW50 parts. Youngsters introductory motorcycle first introduced in the machine is still in production today although baring no resemblance to the early models it is still many budding young moto-crossers first taste of real motorcycling The model shares many features of the full size machinery from Yamaha and many Moto-cross stars of...

The mortal danger of nuclear weapons is unique in its terrifying potential for devastation on an unprecedented and unimaginable scale. In this book, Sidney D. Drell and James E. Goodby—each with more than twenty years' experience in national security issues both in public and private capacities—review the main policy issues surrounding nonproliferation of nuclear weapons. They address the specific actions that the community of nations—with American leadership—should take to confront and turn back the nuclear danger that imperils humanity. The nuclear genie, say the authors, cannot be put back in the bottle. Our most urgent task as a nation today is to successfully manage, contain, and reduce the grave danger of nuclear weapons—whether in the hands of adversaries or friendly states. This book hopes to stimulate active public dialogue on this important subject.

When Shaharazad becomes enslaved, she must remain cool and calm to come up with a clever plan that will make the coldhearted king see her in a different light in order to change her future. Original.

Rediscover Professor Branestawm this Christmas – soon to become a brand new drama on BBC ONE written by Charlie Higson and starring Harry Hill 'Once you started anything in Professor Branestawm's house you never knew when it might finish or even if it ever would' Poor Mrs Flittersnoop! It's not easy being Professor Branestawm's housekeeper. People may say he's a genius, but all his inventions always make life more complicated, alarming and extraordinary than it was before. An innocent bottle of old cough mixture turns out to be an elixir that makes all the waste paper in the bin come to life, the burglar-catcher and the pancake-maker operate just a little too efficiently, and about the spring-cleaning machine, the less said the better. You could write a book about it, but nobody would believe it. Includes exclusive material: In the Backstory you can find out about accidental inventions that changed our lives and try a few experiments of your own! Vintage Children's Classics is a twenty-first century classics list aimed at 8-12 year olds and the adults in their lives. Discover timeless favourites from The Jungle Book and Alice's Adventures in Wonderland to modern classics such as The Boy in the Striped Pyjamas and The Curious Incident of the Dog in the Night-Time.

A novel of the betrayals and rivalries that set a family of royals against each other in medieval England—and ignited a devastating conflict. Tumultuous. Passionate. Timeless. The marriage between Eleanor of Aquitaine and Henry Plantagenet was like no other, born of power, politics, and an all-consuming, fiery love. Within two years of their wedding, Henry conquered England and together they ruled a vast kingdom. At first they worked to unify and repair their war-torn lands—before being torn apart by intrigue, adultery, and deadly revenge. Henry II dreams of enacting a new judicial system, a common law that would help foster peace. But a devastating betrayal by his closest confidante, Thomas Becket, Archbishop of Canterbury, thrusts Henry into a rivalry that threatens to tear church and state apart. Eleanor, an accomplished ruler in her own right, steps in to help Henry quell the rebellions across their lands. But when she learns of her husband's secret romance with the fair, young Rosamund de Clifford, it shatters her heart and ignites a bitter vengeance that will engulf their family in treachery and betrayal. As Eleanor takes the side of her sons against their father, these young royals, chafing for power of their own, wreak havoc across the continent, igniting a war whose tragic consequences Eleanor could never have foreseen.

This book shows you how to design and establish a solid, effective, disaster prevention and relief strategy for all types of facilities. It is packed with plans, checklists, and other valuable tools, the book contains comprehensive instructions to help you: protect people, devise and integrate systems, develop management training programs, identify which of your organization's assets require protection, and how you will protect them and install a system for continuously updating your emergency response plan.

A practical, easy-to-understand guide to Balanced Scorecard for busy business leaders The Balanced Scorecard method is an analysis technique designed to translate an organization's mission and vision statement and overall business strategies into specific, quantifiable goals, and to monitor the organization's performance in achieving these goals. Much less technology driven than other analysis approaches, it analyzes an organization's overall performance in four regards: financial analysis, customer service, productivity and internal analysis, and employee growth and satisfaction. Balanced Scorecard Strategy For Dummies breaks down the basics of Balanced Scorecard in simple language with practical, Dummies-style guidance on getting it done. This book covers all the basics of Balanced Scorecard for busy executives and managers-and does it without the high price tag of most professional level Balanced Scorecard guides.

The third novel in the Sianim series from the #1 New York Times bestselling author of the Mercy Thompson series and the Alpha and Omega novels... When Rialla was young, slave traders from Darran ambushed her clan, killing all the men and enslaving the women and children. For years, Rialla lived in bondage, serving her master while waiting for a chance to escape. When that chance came, she made the best of it—and fled to the mercenary nation of Sianim... Now she can strike back at her former masters. A lord in Darran seeks to outlaw slavery—but there are plots to kill him before he can. Rialla is chosen by the spymaster of Sianim to prevent the murder—and is plunged into a world of deadly magic, where gods walk in human form. Where her most trusted companions are not what they claim. And where Rialla could be enslaved again...

Tom Bielowski is a bright light in today's dark sea of new writers. His writing gives me hope for the next generation of dreamers. I highly recommend both him and his works." - NYT Bestselling author, Tracy Hickman. A dark and powerful magic, lost the world for centuries, sits once more. The Dark Disciples, infamous villains once thought vanquished, have returned. Carym of Hyrum, accused murderer, is freed from captivity by a band of criminals. To repay the debt he must undertake a quest to find the mythical Everpool and bring back a vial of its enchanted water. Minions of a dark god hunt Carym, for he is the key to unlocking a power greater than their own. If they cannot turn him, they will destroy him.

This is the eBook version of the printed book. Windows Workflow Foundation (WF) is Microsoft's programming model for building workflow-enabled applications in the Windows operating system. It includes a set of classes, a workflow engine, and design tools that can be used with Visual Studio .NET. Workflow is an extremely important type of application that has been difficult to build on the Microsoft platform. Workflow Foundation is a major element of the .NET Framework 3.0 platform that enables application developers to build these types of applications. In Building Applications with Windows Workflow Foundation: Extended Workflow Example , author, MVP, speaker, and leading consultant Michael Stiefel explains to readers how to build useful, reusable, workflow custom activities. The other parts of this series include Basics of Windows Workflow Foundation Advanced Workflow Features Extended Workflow Example

With three months remaining of her marriage of convenience, Savannah is ready to say goodbye to her spoiled rich boy of a husband. He's annoying and argumentative and used to always getting his way. Sure, he's hot. And maybe occasionally a little bit sweet. But she doesn't want to stay married to him. Not at all. He needed a wife for a year so he could inherit his grandmother's fortune, and she needed to pay off her family's debts. That's all their marriage has ever been about. So she really needs to stop falling into bed with him.
