Argentina - Culture Smart!: The Essential Guide to Customs ...

Argentina is a country that embraces much more than gaucho, tango and football.

Very unlike its Latin American neighbors, it has evolved in a distinctive way, and is quite different from the expectations many visitors have of a stereotypical Latin American destination.

The second-largest country in South America, Argentina has been through great changes in recent years. Its journey from dictatorship to democracy has left many scars, but these are largely eclipsed by the pride and resilience of the Argentinian people, who have developed a style, a language, and a joie de vivre that are all their own. The political maelstroms the country has experienced have had a profound effect on its economy, its people,
