The powerful technological order known as ComStar has controlled the flow of information and technology across the vastness of space for more than 200 years. This sourcebook for BattleTech describes the tactics, uniforms, and battle histories of the Corn Guards, their military division.

In the year 3050 the mysterious invaders known as the Clans struck without warning from beyond known space. Their advanced 'Mechs destroyed all opposition and captured planet after planet. Now the Clans' secrets are revealed in Field Manual: Warden Clans. The second of two volumes on the Clans, this BattleTech sourcebook describes the seven most noble Clans: Cloud Cobra, Coyote, Diamond Shark, Ghost Bear, Goliath Scorpion, Snow Raven, and Steel Viper. Each Clans tactics, uniforms and battle histories are described in detail, along with new Clan 'Mechs and equipment.

ALL OR NOTHING... On 1 May 3052, twenty-five Galaxies from seven Clans clashed with twelve armies of ComStar's Com Guards on the pastoral planet of Tukayyid. For twenty-one days, one of the largest campaigns in BattleMech warfare unfolded to decide the fate of the Inner Sphere. The Battle of Tukayyid is one of BattleTech's most pivotal conflicts. Now, explore this crucial campaign through eight different points of view—from the enigmatic ComStar, whose relatively untested forces are the Inner Sphere's last defense against the seemingly unstoppable Clans, to each Clan, as their leaders and MechWarriors attempt to achieve victory on their own terms. The fate of the Inner Sphere hangs in the balance...and it all comes down to one planet... Featuring stories

More information to be announced soon on this forthcoming title from Penguin USA

Forgotten since the Star League's demise, more so-called lostech -- pulse laser rifles, man-portable Gauss cannons, cutting-edge battle armor -- is discovered every day, and no MechWarrior can afford to be without it! This illustrated guide describes new personal gear and offers MechWarrior, 3rd Edition, rules for dozens of high-tech devices.

For years, the Capellan Confederation has languished at the mercy of its more powerful neighbors. But now is the time of Xin Sheng -- rebirth. This field manual provides an in-depth look at the rising power of House Liao, including profiles of each Confederation regiment. Also included are color renderings of Confederation uniforms and unique rules for Capellan weapons and BattleMechs "RM."
