An insider's look at the Jim Beam brand, from a 7th generation Master Distiller Written by the 7th generation Beam family member and Master Distiller, Frederick Booker Noe III, Beam, Straight Up is the first book to be written by a Beam, the family behind the 217-year whiskey dynasty and makers of one of the world's best-selling bourbons. This book features family history and the evolution of bourbon, including Fred's storied youth "growing up Beam" in Bardstown, Kentucky; his transition from the bottling line to renowned global bourbon ambassador; and his valuable business insights on how to maintain and grow a revered brand. Includes details of Fred Noe's life on the road, spreading the bourbon gospel Describes Fred's journey to becoming the face of one of America's most iconic brands Shares a simple primer on how bourbon is made Offers cocktail and food recipes For anyone wanting a behind the scenes look at Jim Beam, and an understanding of the bourbon industry, Beam, Straight Up will detail the family business, and its role in helping to shape it.

Lessons on product, quality, innovation, and longevity from the "First Family of Bourbon" The Big Man of Jim Beam delves into the life and times of legendary distiller F. Booker Noe III, grandson of Jim Beam and father of the bourbon boom. A true American original who left his mark on everything he did and everyone he met, this charismatic, opinionated man turned the Jim Beam company into the world's largest bourbon distillery and secured his product's place in the cultural psyche. This book tells his story, from growing up in the "First Family of Bourbon" to becoming master distiller, offering insights and guidance for creating brands and products that stand the test of time. His commitment to innovation and quality earned him legendary status and tremendous business growth; the discussion keys in on some of his most prized creations, including one of the first super-premium bourbons on the market, and the small batch collection that laid the groundwork for bourbon's modern resurgence. Jim Beam is a distinctly American brand that has tapped into the collective consciousness and leveraged vision into growth. This book tells the story of the man behind the brand, and his approach to his work, his product, his company, and his people. Read colorful stories about growing up as "bourbon royalty" Trace Booker's journey from apprentice to world's largest bourbon distiller Learn how innovation and a commitment to quality delivers product longevity Gain deep, personal insight on creating a brand that becomes a legend Booker was the sixth generation of the Beam family to make bourbon, and he grew an empire. Driven by commitment, vision, and a singular sort of ambition, his success offers many lessons to anyone in business. The Big Man of Jim Beam tells the story, and digs out the wisdom and insight from this legendary leader.

The untold story of the world's premier bourbon and the family that made it #1 American Still Life tells the intertwined true stories of America's favorite whiskey and the family dynasty that produces it to this very day. Jim Beam is the world's top-selling bourbon whiskey, with sales of over five million cases per year. Not a day has passed in the 207 years of Jim Beam's existence when a Beam family member has not been master distiller. Dedicated to quality, and dedicated to the family legacy, the Beams have shepherded their particularly American spirit to the top of their industry. And they've done it in an industry beset by challenges, from government regulation and prohibition, to changing consumer tastes, to fierce new global competition. By creating a brand of unparalleled quality and consistency, and by tying the success of their product with the good name of the family, the Beams have established a lasting legacy as perhaps one of the greatest family business dynasties in American history. Not just a simple history of "America's native spirit" (so named by an act of Congress in 1964) or a simple family history, *American Still Life* is a story of business success based on quality and attention to detail, constant innovation, revolutionary branding and advertising, and adaptation to the business environment. F. Paul Facult (Waikill, NY) is recognized the world over as his generation's most accomplished and respected authority on beverage alcohol. He has written for many magazines, including *Playboy*, *Wine and Spirits*, *Connoisseur*, *Whisky*, *Drink*, *Men's Journal*, *Cheers*, *Country Inns*, *Travel and Leisure*, *Bon Appetit*, *Decanter*, and *Food and Wine*. Among his many accomplishments, he has hosted and coproduced two syndicated talk-radio programs and served as the primary expert on whiskey, beer, and wine for the History Channel documentary *America Drinks: History in a Glass*.

Kick your meals to another level by adding a touch of Jim Beam to these recipes. Since 1795, the Beam family has been producing one of the world's premier brands of bourbon whiskey. Over the course of seven generations, the recipe for Jim Beam's signature Kentucky Straight Bourbon Whiskey has remained essentially the same, making it a taste that has been enjoyed and shared over the decades. Jim Beam Bourbon Cookbook contains 70 recipes that include this classic bourbon whiskey, from appetizers to main dishes to desserts--and cocktails, of course. Ideal for backyard barbecues as well as elegant dinners, the dishes in this book will leave your guests wondering what secret ingredient has given your food such a distinctive flavor.

The first-ever biography of the man who created America's most famous whiskey Born in Lynchburg, Tennessee, in 1850, Jack Daniel became a legendary moonshiner at age 15 before launching a legitimate distillery ten years later. By the time he died in 1911, he was an American legend-and his Old No. 7 Tennessee sipping whiskey was an international sensation, the winner of gold medals at the St. Louis World's Fair and the Liege International Exposition in Belgium. Blood and Whiskey captures Daniel's indomitable rise in the rough-edged world of the nineteenth-century whiskey trade-and shows how his commitment to quality (his whiskey was always charcoal-filtered) and his flair for marketing and packaging (he launched his distinctive square bottle in 189-5) helped create one of America's most venerable and recognizable brands. Peter Krass (Hanover, NH) is the author of *Carnegie* (0-471-46883-5), cited by *Barron's* as the "definitive" biography and selected by *Library Journal* as one of the best biography/business books of 2002.

Drawing on ten years of working with businesses, nonprofits, governments, and families, the authors combine the latest insights from neuroscience and psychology with practical advice to explain how to turn feedback into productive listening and learning.

The extraordinary #1 New York Times bestseller about the ability of books to feed the soul even in the darkest of times. Nominated as one of America's best-loved novels by PBS's The Great American Read. When Death has a story to tell, you listen. It is 1939. Nazi Germany. The country is holding its breath. Death has never been busier, and will become busier still. Liesel Meminger is a foster girl living outside of Munich, who scratches out a meager existence for herself by stealing when she encounters something she can't resist--books. With the help of her accordion-playing foster father, she learns to read and shares her stolen books with her neighbors during bombing raids as well as with the Jewish man hidden in her basement. In superbly crafted writing that burns with intensity, award-winning author Markus Zusak, author of *I Am the Messenger*, has given us one of the most enduring stories of our time. "The kind of book that can be life-changing." --*The New York Times* "Deserves a place on the same shelf with *The Diary of a Young Girl* by Anne Frank." --*USA Today* DON'T MISS BRIDGE OF CLAY, MARKUS ZUSAK'S FIRST NOVEL SINCE THE BOOK THIEF.

Personal tales of perseverance and beer making from the founder of Sierra Nevada Brewing Co. Beyond the Pale chronicles Ken Grossman's journey from hobbyist homebrewer to owner of Sierra Nevada Brewing Co., one of the most successful craft breweries in the United States. From youthful adventures to pioneering craft brewer, Ken Grossman shares the trials and tribulations of building a brewery that produces more than 800,000 barrels of beer a year while maintaining its commitment to using the finest ingredients available. Since Grossman founded Sierra Nevada in 1980, part of a growing beer revolution in America, critics have proclaimed his beer to be "among the best brewed anywhere in the world." Beyond the Pale describes Grossman's unique approach to making and distributing one of America's best-loved brands of beer, while focusing on people, the planet and the product Explores the "Sierra Nevada way," as exemplified by founder Ken Grossman, which includes an emphasis on sustainability, nonconformity, following one's passion, and doing things the right way Details Grossman's start, home-brewing five-gallon batches of beer on his own, becoming a proficient home brewer, and later, building a small brewery in the town of Chico, California Beyond the Pale shows how with hard work, dedication, and focus, you can be successful following your dream.

Max is used to being called Stupid. And he is used to everyone being scared of him. On account of his size and looking like his dad. Kevin is used to being called Dwarf. On account of his size and being some cripple kid. But greatness comes in all sizes, and together Max and Kevin become Freak The Mighty and walk high above the world. An inspiring, heartbreaking, multi-award winning international bestseller.
