Boundary Broken (Boundary Magic Book 4) eBook Olson :—

Since every boundary line is also a battle line, here is the human predicament: the firmer one's boundaries, the more entrenched are one's battles. The more I hold onto pleasure, the more I necessarily fear pain. The more I pursue goodness, the more I am obsessed with evil. The more I seek success, the more I must dread failure.

Boundary Born Boundary Magic Book 3

Fitting into the Old World isn't going very well for Boulder boundary witch Allison "Lex" Luthor: she may have earned a place in a vampire's service, but now it seems as if every supernatural creature in town has found a reason to hate her. And when Lex and her partner are assigned to investigate the suspicious disappearance of two vampires during the night of the full moon, they find themselves with more questions than answers. Was it murder...or mutiny? The crusade for answers will lead Lex all over the Colorado Old World, from a prison cell for a broken werewolf to a haunted Denver brothel. And when Lex determines the responsible party, the hunt is just beginning: something has been awakened in Boulder, something as old and powerful as it is terrifying. Only the woman with death in her blood can stop what's coming.

After her twin sister's brutal death, former US Army Sergeant Allison "Lex" Luthor vowed to protect her niece, Charlie, from every possible danger. Then when two vampires attempted to kidnap the child, it quickly turned into a fight to the death—Lex's death, that is. Lex wakes up to two shocking discoveries: she has somehow survived the fight; and baby Charlie is a "null," gifted with the ability to weaken supernatural forces...and a target for evil creatures who want to control that power. Determined to guarantee a safe future for Charlie, Lex makes a deal with the local coven. She sets out with the dashing—and undead—Detective Quinn to track down who's responsible for the kidnapping, sharpening her magic skills along the way. But the closer she gets to the truth, the more dangerous her powers become, threatening to destroy everything—including herself. Boundary Crossed is a dark, thrilling glimpse into a magical world that will leave readers spellbound.

Years ago, boundary witch Allison "Lex" Luthor made a promise to an alpha werewolf. Now, just when the supernatural community in Colorado is enjoying a period of hard-won peace, the alpha turns up at Lex's door to call in his marker. Two of his pack members have disappeared in the Colorado sand dunes, and he needs safe passage to hunt for them. With her friend Simon Pellar along for backup, Lex ventures into the dunes to search for the missing couple...but what they find is only the opening move in an ambitious assault against those who hold power in the Colorado Old World. An old enemy has returned to tear their peace apart, and Lex is soon embroiled in politics she doesn't understand, from a time before she had magic. To save her friends and her way of life, Lex will have to cross every line she's drawn since learning what she is—and it may still be too late.

"Intellectual reveling at its finest."—Booklist "A delightful and curious book about borders, boundaries, fences, and lines."—Slate "A thoughtful and entertaining look at the demarcations in our lives."—Times Dispatch After years of crossing borders in search of new birds and new landscapes, Peter Cashwell's exploration of lines between states, between time zones, and between species led him to consider the lines that divide genders, seasons, musical genres, and just about every other aspect of human life. His conclusion: Most had something in common—they were largely imaginary. Nonetheless, Along Those Lines, a tour of the tangled world of delineation, attempts to address how we distinguish right from wrong, life from death, Democrat from Republican—and how the lines between came to be. Part storyteller, part educator, and part wise guy, Cashwell is unafraid to take readers off the beaten path—into the desert vistas of the Four Corners, the breeding ground of an endangered warbler, or the innards of a grand piano. Something amusing and/or insightful awaits at every stop. And he's not alone. The tricks and treats of the human instinct for drawing lines are revealed in interviews with experts of all sorts. Learn about the use of the panel border from a Hugo Award-winning comics creator. Trace the edge of extinction with the rediscoverer of the Ivory-billed Woodpecker. Get the truth about the strike zone from an umpire who holds a degree in physics. You'll begin to see even the most familiar lines in a whole new way. "From music to politics to gender splits, the things that divide us also tell us quite a bit about who we are, and how we got there. You couldn't ask for a better guide than Peter Cashwell, whose eloquent musings on the lines we draw—and sometimes erase—is illuminating, fascinating, and impossible to put down."—Caroline Leavitt "If, as Paul Klee told his students at the Bauhaus, a line is a dot that goes for a 'walk,' then Along Those Lines is a beguiling and personal treasury of dots on hikes, treks, and walkabouts. To accept this invitation to meander through the author's territory of boundaries, borders, definitions, demarcations, and delineations is to be rewarded with surprising answers to questions you didn't know you had until now, about everything under the sun, from strike zones, musical genres, and Gerymandering to birding, gender, and how different religions define the lines between right and wrong. Peter Cashwell's appreciation of the boundaries that create our world is a pure delight."—Katharine Weber "As if by magic, Cashwell gives us the power to see the invisible lines we live by and—perhaps more importantly—the permission to smudge, erase, dissolve, or redraw the lines that don't serve us well. Along Those Lines is an imaginative and well-researched book full of Cashwell's trademark imagination and humor." Even the most edgy, rule-bound readers will come away enlightened and liberated. ["His footnotes alone could open Saturday Night Live."]—Maria Mudd Ruth "Peter Cashwell has written a brilliant, mind-bending saga of delineation as a supreme act of imagination, as a noble and often comic attempt to confine the raggedy universe within a geometer's desperate dreams of precision."—Will Bythe

Alex McKenna is the new Special Agent in Charge of the Chicago office of the Bureau of Paranormal Investigations—the division tasked with investigating crimes involving shades, Or vampires, as they're more widely known. Children have been going missing, and agents are routinely being slaughtered. It's up to McKenna, and some unlikely allies, to get to the bottom of the problem, and find the kids before it's too late. Nightshades is a new gritty urban fantasy from Melissa F. Olson. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

"Healthy boundaries. We all know we should have them—in order to achieve work/life balance, cope with toxic people, and enjoy rewarding relationships with partners, friends, and family. But what do "healthy boundaries" really mean—and how can we successfully express our needs, say "no," and be assertive without offending others?"--

Actions have consequences—a lesson Scarlett Bernard is learning the hard way. As a "null," Scarlett has always been able to negate the powers of the supernatural beings that surround her. But now her reckless decision to permanently change Eli from a werewolf to a human has left the Los Angeles werewolf pack in shambles, and upset the balance of power among the city's supernatural factions. To make matters worse, Scarlett's employees discover that a newly changed werewolf is running amok in the city. To catch the rogue werewolf, Scarlett will need help from both Eli and Detective Jesse Cruz of the LAPD...a situation that will force her to finally choose between them. However, Scarlett and her friends aren't the only ones on the hunt—someone else is chasing the wolf. Someone with no reservations about collateral damage. Now Scarlett and her allies must stop both the rogue wolf and the deadly hunter before the full moon rises and all hell breaks loose. Filled with the same suspense and wit readers loved in Dead Spots and Trail of Dead, this may be Scarlett Bernard's most harrowing adventure yet...

Break Free From Over-Functioning, Over-Delivering, People-Pleasing, and Ignoring Your Own Needs So You Can Finally Live the Life You Deserve! Most of us were never taught how to effectively express our preferences, desires or deal-breakers. Instead, we hide our feelings behind passive-aggressive behavior, deny our own truths, or push our emotions down until we get depressed or so frustrated that we explode, potentially destroying hard-won trust and relationships. The most successful and satisfied people on the planet have one thing in common: the ability to create and communicate clear, healthy boundaries. This ability is, hands down, the biggest game changer when it comes to creating a healthy, happy, self-determined life. In Boundary Boss, psychotherapist Terri Cole reveals a specific set of skills that can help you stop abandoning yourself for the sake of others (without guilt or drama) and get empowered to consciously take control of every aspect of your emotional, spiritual, physical, personal, and professional life. Since becoming a Boundary Boss is a process, Cole also offers actionable strategies, scripts, and techniques that can be used in the moment, whenever you need them. You will learn: How to recognize when your boundaries have been violated and what to do next How your unique "Boundary Blueprint" is unconsciously driving your boundary behaviors, and strategies to redesign it Powerful boundary scripts so in the moment you will know what to say How to manage "Boundary Destroyers"—including emotional manipulators, narcissists, and other toxic personalities Where you fall on the spectrum of codependency and how to create healthy, balanced relationships This book is for women who are exhausted from over-giving, overdoing, and even over-feeling. If you're getting it all done but at the expense of yourself, give yourself the gift of Boundary Boss.

All the immense value of the book is available in this participant's guide for groups of any size. It will encourage spiritual and emotional growth and character development that enables dating—within God's boundaries—to be fun, spiritually fulfilling, and growth producing.

For years now, Scarlett Bernard has counted on two things: her ability to nullify magic, and Shadow, the bargest who guards Scarlett with her life. But after a sudden revelation turns Scarlett's world upside down, she panics and leaves town without warning, leaving Shadow with her partner, Jesse. In the chaos that follows, the bargest is stolen—and Jesse nearly dies from a brutal psychic assault. It seems that an old enemy has returned for revenge...and the attack on Shadow was only the beginning. As Scarlett races home to find the bargest and rescue her friends, she is dragged deeper into a terrifying legend that has somehow found its way to present-day Los Angeles. Now she will have to recruit every possible ally for a battle that will test her null ability to the limit. Scarlett has been in over her head before, but now she risks losing everything...and she's never had more to lose.
