The esoteric knowledge presented here, represents what are in my belief, some of the most carefully guarded, heavily veiled, and least understood secrets of biblical wisdom traditions. Many have stumbled upon this knowledge without necessarily grasping just what the full implications this knowledge means for unlocking and deciphering the riddles of our Holy Bible as bestowed upon us by our Father Yahweh through the line of prophets and even His only begotten Son Yahushuah Savior Messiah. The secret that unlocks all things biblical is knowledge that Cain was a child of Eve and Lucifer and not the first born son of Adam. Understanding that there are two blood lines upon the planet and that these two bloodlines have

been warring with one another since the inception and dawning of humanity upon this world will help one to decipher this critical theme as it plays out through the totality of all available scripture, from the fall to soon coming judgment.

What do the fallen angels have to do with the powers, principalities, ancient aliens, and the "strong delusion" referenced by Paul in Thessalonians 2:10? The lie that leads to damnation concerns the current perpetuation of the ancient alien myth, which claims that the Annunaki and Nephilim are the creators and benefactors of humanity. Those whom accept this premise will unwittingly volunteer their allegiance to the fallen angels. Unless one understands who the fallen angels were, are, and how they were responsible for the introduction of evil upon the world stage, one might also be caught up in the lie that causes the hearts of men to fail, and the most elect to be deceived. In *Sons of God*, Garcia seeks to help readers recognize the realities of our ancient past so that, in remembering the story, they can realize who they are and why they are they here.

The 5th book by Zen Garcia, details the author's personal awakening to what the world has come to know as the New World Order. Accompanied by the illustrations of well known graphic artist David Dees, contained

within this edition are the collected articles that Zen published while working as a columnist for the Populist Party of America, a once independent web portal frequented by hundreds of thousands of truth seeking visitors every month. This book captures the inception of the 9/11 truth movement and political tenure of one of the most critical periods of United States History, sharing the attempt of two men to wake others to the elitist agenda of governments sponsoring terror, in effort to drive agenda, ending national sovereignty, and unifying countries under the banner of a worldwide socialist government controlled by the Illuminati through the United Nations.

While researching information for the publication of my 9th book *The Flat Earth As Key To Decrypt The Book Of Enoch*, I was led to understanding that not only does the Bible support premise that the earth is a flat circular plane but that it is covered by the firmament as a solid transparent dome like canopy. This led me to revisit the canonical and extra Biblical texts such as *The Book Of Enoch*, *The Book Of Jasher*, *The Book Of Jubilees*, and myriad others, to see if not only did they affirm such idea but if they contained other little known insight which might expound upon this matter in some detailed manner. This book is the end result of that search and compilation of all of those source references. And because I

include in this study much extra Biblical material which few are familiar with, I doubt one will be able to find a more complete investigation of the firmament as topic than that which is presented here. The seeker of lost paradise may seem a fool to those whom have never sought the other worlds

Targum meaning translation references the various language transliterations of the original Hebrew Torah, which came about according to need. The Aramaic and Palestinian versions printed here are acknowledged to be the oldest and most widely used renderings of the ancient language translations of the original Hebrew Torah. Though they are accepted to date back to at least the first century CE, I believe them to be half a millennia older as they first came into being to accommodate the Israelite's assimilation of Aramaic when exiled to Babylon in 597 BCE. It was during the 70 years of that diaspora that Aramaic became the predominant colloquial language and accepted vernacular of use by the Hebraic peoples. During this 70 years of assimilation, the Israelite's use of Hebrew as lexicon dwindled from being the primary dialect of everyday conversation, to being one of mostly scholastic application utilized intellectually by the priestly class.

what led to the schism between the Angels of light and darkness. Most biblical scholars do not realize that it was YHWH Elohim declaring, "Let There Be Light" that revealed Christ as the light to the Angels and world. That it was in that moment that the creation became visible and seeing the wide expanse of manifest world for the first time since being created that all the morning-stars shouted for joy. It was also in that moment that dominion was granted to the Son and Lucifer being envious of Christ's appointment, conceived in mind the thought of exalting his throne above the stars and clouds of God. It was in this moment that iniquity led him to conspire overthrow which was the origin for the war in heaven.

Shortly after accepting the flat earth as a model for the world, I decided to revisit the Book of the Courses of the Heavenly Luminaries to see if my new understanding would somehow mirror what Enoch was sharing as a motion for the sun and moon. As I began to read chapters 71-82, I found to my utter amazement that I was able to grasp those passages. I knew then that the vision that the angel Uriel had shown to Enoch could only be deciphered if one were to imagine Enoch's description of the revolution of the sun and the moon. As seen from above the flat circular plane of the earth as described by Isaiah; and that Enoch must have been taken up to perhaps where Polaris is, centered directly above the North Pole, and while looking down at the backdrop of the earth, was instructed on the motions of both the sun and moon. Without such conception, it is in my opinion impossible to apply these descriptions to the model of the earth as a spherical planet.

In June 2015, the Most High allowed me to decrypt chapters 70-82 of the Book of Enoch's courses of the heavenly luminaries. This text has for 500 years been lost to modern

translation because of the Copernican heliocentric worldview. The riddle was resolved with the Flat Earth As Key To Decrypt The Book Of Enoch. In this last book of the trilogy, I explain the sides of the north connection to the throne of God, mount of congregation, Jacob's ladder, New Jerusalem, bottomless pit, and abysmal chasm which situated at the North Pole is gateway into the Earth's hollow interior. A magnetic mountain is centered there surrounded by a giant whirlpool which sucking and spewing out the oceans alternatively every six hours causes the tidal rhythm. Embracing earth as a flat disc with upturned edge described by August Picard one can unlock the geocentric cosmology affirmed by the Bible and other texts like Enoch.
