Do you want to perfect your Thai handwriting? Do you need a trustworthy resource to teach your small children to trace the Thai alphabet? Then this workbook is the perfect companion for your studies. In it, you'll find all the Thai consonants and vowels, including the both the Traditional and the Modern versions of each letter. Your benefits: Clear large letters make it easy to recognize even the most detailed of the Thai characters and diacritics. Detailed stroke order instructions provide you with a strong foundation to build your skills in both the traditional and the modern writing styles. Dedicated "Trace and Learn" sections are designed to imprint proper stroke technique unto your muscle memory. Font variations train your brain to recognize alternative character styles. As a bonus, for each character, you'll find an extra 8.5 x 11 inches page fully dedicated to the handwriting practice of that letter with and without guiding background light-gray letters. Feel free to photocopy these bonus pages as you wish to extend the lifetime value of your workbook. Special information: Like all Lang Workbooks, this work is also a labor of love. Accordingly, if you are a teacher, a student of Thai, or homeschooling your children, then you can photocopy any part of this workbook for your own, or your students, personal use. Learning to write the Thai script by heart has never been made easy.
