Zach wants nothing more than to see all Malibu High bands together on one stage again. This is his master plan to finally bring all the cliques together for one day of unity, despite the fact that principal Nelson has ditched his festival revival idea saying that he needs a more "serious" project if he plans to raise real funds for the school. But when a rogue scientist claims that Zach's latest song contains the one bit of information he's long been searching for to prove the existence of dark matter -which he needs to get irrefutable scientific evidence of the building blocks of happiness itself-

light festivals are held worldwide, enemies put down their guns, all wars come to an end. Zach's not quite clear what the scientists are still bickering about, Zach seizes this media opportunity as a chance to turn his fortune around and get the festival up and running. Out are winning school debate competitions and organizing puny cupcake fundraisers. In are the onslaught of free publicity and air time brought in by the scientific controversy. But the media frenzy comes at a price. In THE CUPCAKE PLAN, Zach confronts the most awesome--and most confusing--time of his life. It's a
