Kollywood and Tamil politics are so inseparable that when superstar Rajinikant urged voters to vote against Jayalalithaa in the 1996 elections, her party was routed. The fact that a former actress presently rules the state, and that actors like Vijayakanth have their own party, is a testimony to the influence of cinema in Tamil Nadu's politics.

probability, statistics, and stochastic processes, Probability, Statistics, and Stochastic Processes, Second Edition prepares readers to collect, analyze, and characterize data in their chosen fields. Beginning with three chapters that develop probability theory and introduce the axioms of probability, random variables, and joint distributions, the book goes on to present limit theorems and simulation. The authors combine a rigorous, calculus-based development of theory with an intuitive approach that appeals to readers' sense of reason and logic. Including more than 400 examples that help illustrate concepts and theory, the Second Edition features new material on statistical inference and a wealth of newly added topics, including: Consistency of point estimators Large sample theory Bootstrap simulation Multiple hypothesis
