As a writer for AskMen.com, Examiner.com, co-founder and Dating and Relationship Consultant for Suave Lover International and the Suave Lover Podcast, long term bartender and public health professional, I have direct client, personal and social experiences towards improving and solving pick up, dating and relationship situations. The young straight men I've seen and worked with, initially want two things, to meet more women and have more sex. What they don't know is that the success for those two things relies on more than specific pick up lines and rico suave moves, it involves becoming a better man. The current market for pickup and dating self-help material is overwhelming, objectifying, lacks universality and misses out on this concept. The Essentials provides quick answers for men who want to improve their success with women but with a focus on overall development. Packaged as a travel-friendly, one-stop summary of the very best advice, with sections ranging from self-improvement to creating and sustaining relationships, The Essentials is what you need to improve your current status as a Man. Your next professional move can make or break your career. Are you ready? In business, especially today, you are only as successful as your next career transition. Do well, and you'll be on the fast track to even more challenging roles. Fail, and you could irreparably harm your career--and your organization. In his international bestseller *The First 90 Days*, transition guru Michael D. Watkins outlined a set of basic principles for getting up to speed quickly in new professional roles. Since that book was published Watkins has worked with thousands of leaders, helping them to accelerate their transitions. These leaders posed challenging questions on how to apply the basic principles in real-life situations. The truth that emerged: the *First 90 Days* framework can be applied in every transition, but the way you apply it is entirely different when you have been promoted to a higher level than it is when you are joining a new organization or taking a role in a different country. *Master Your Next Move* answers a distinct need, focusing on the most common types of
