Has it been a whole year already? Time flies when you are creating images of naughty young ladies in distressing (and undressing) situations! For this year's annual array, Steve and Rich have created two new full colour tales of titillation calculated to drive you wild! 'Battle Hookers of Klarn' feature freedom fighting femmes defending their planet from foul alien invaders! And no kissing on the mouth! In their second adventure, F&L tell the story of 'The Jewellery Box'. It's about three young Victorian-era ladies who find much more than they bargained for when they open a tiny chest of treasures. All this, plus another gallery of new, rare and unseen works from this most talented team of illustrators.

A compendium of comics and illustrations that showcase the dark, devious, and devilishly clever works of art team Steve Fastner and Rich Larson. It features girls in danger, girls in peril, girls on the edge of disaster, and girls fighting back and winning over aliens, zombies, monsters, and other creatures that go hump-in-the-night.

Erotic fantasies and bizarre tales by this team of geniuses.

Fantasy, action, and pretty young girls wearing little more than a bit of armour and a smile -- these are the hallmarks of illustration duo Steve Fastner and Rich Larson. This is the latest full-colour gallery of their works, a sort of naughty nightmare you will thoroughly enjoy!

Its with a keen sense of humour and wondrous attention to detail that these two warped geniuses have created hundreds of magnificent fantasy illustrations. With the team of Fastner & Larson, good girls never looked so naughty -- so tantalisingly helpless -- or so well armed! It is the best/worst of American pop culture, as viewed through their unique prism. Contains many colour works which document their airbrush technique.

Art Deco continues to enjoy a solid revival, especially in the areas of commercial art and advertising. The bold geometric patterns that shocked the Paris set world in 1925 are universally employed today in every form of media. Now this inexpensive collection offers the working artist hundreds of royalty-free, ready-to-use Art Deco borders and ornaments, including corners, frames, and cartouches. Dynamic designs combine circles, squares, crescents, and other shapes with palm trees, female figures, sunbursts, and more. Use them alone or combine them with numerous line bars of varying widths to create exciting advertisements, greeting cards, catalogs, menus, invitations, or any other project. Printed in crisp black-and-white images on 32 glossy repro-quality plates, these motifs are an incomparable value for today's package designer, graphic designer, and advertiser. Dover Original.

Accompanied exhibition held at Anthony d'Offay Gallery 5/6 to 3/7 1987.

As the razor-sharp blade sinks further into your chest, you gaze into the eyes of your killer and fall madly in love! These are women of war who know no fear! An international array of artists showcase their talents as they illustrate the savage side of the 'weaker' sex, with portraits of warrior maidens in all their beauty and berserker rage! Artists include Rich Larson, Steve Ferris, Mike Hoffman, Arantza, Luis Roca, Blas Gallego, among others.

This updated version of the first edition examines the strength and deformation behaviour of riveted and bolted structural connectors and the joints in which they are used.
