In this tender-hearted debut, set against the tumultuous backdrop of life in 1973, when homosexuality is still considered a mental illness, two boys defy all the odds and fall in love. The year is 1973. The Watergate hearings are in full swing. The Vietnam War is still raging. And homosexuality is still officially considered a mental illness. In the midst of these trying times is sixteen-year-old Jonathan Collins, a bullied, anxious, asthmatic kid, who aside from an alcoholic father and his sympathetic neighbor and friend Starla, is completely alone. To cope, Jonathan escapes to the safe haven of his imagination, where his hero David Bowie's Ziggy Stardust and dead relatives, including his mother, guide him through the rough terrain of his life. In his alternate reality, Jonathan can be anything: a superhero, an astronaut, Ziggy Stardust, himself, or completely "normal" and not a boy who likes other boys. When he completes his treatments, he will be normal—at least he hopes. But before that can happen, Web stumbles into his life. Web is everything Jonathan wishes he could be: fearless, fearsome and, most importantly, not ashamed of being gay. Jonathan doesn't want to like brooding Web, who has secrets all his own. Jonathan wants nothing more than to be "fixed" once and for all. But he's drawn to Web anyway. Web is the first person in the real world to see Jonathan completely and think he's perfect. Web is a kind of escape Jonathan has never known. For the first time in his life, he may finally feel free enough to love and accept himself as he is. A poignant coming-of-age tale, Ziggy, Stardust and Me heralds the arrival of a stunning and important new voice in YA.

Ziggy decides to plant sunflowers in autumn, but everyone knows sunflowers don't grow in winter. Or do they? Sunflowers Don't Grow in Winter is a true story of hope, determination, and a little boy's love of sunflowers. Search and Find - on each spread, children will need to find the three B's - a bee, a butterfly and a bird. At the back of the book, learn how to grow your own sunflowers and how our thoughts are like seeds. Recommended age: 4 - 10 years Paperback Written by Emily Holdaway from the wildly popular New Zealand blog, Raising Ziggy. Illustrated by Craig Phillip - international multi-award-winning illustrator.

Ziggy loves coming up with new inventions. Unfortunately, though, most of his inventions just don't work out, like the square 'Ziggyball' or the 'shulstills' he makes for Rabbi Levi. Ziggy's father sells buns for Moishe the Baker, but Mrs. Schwartz always complains that the buns are undercooked at the center. That's when Ziggy puts his creative mind to work, with his idea for making the bakers buns tastier and easier to carry, leading to the creation of one of the world's favorite treats - the bagel! Bagel recipe included.

"Montgomery's expertise and the gorgeous illustrations make this a fine purchase for libraries serving early elementary students." —School Library Journal "The mixed-media illustrations make good use of dynamic spreads, color, and texture—perfect for a book on a master of camouflage. Montgomery seamlessly incorporates interesting facts about octopuses into the narrative." —Booklist Learn all about Inky the Octopus, an international sensation known for escaping from the New Zealand aquarium in April 2016, in this fascinating picture book from National Book Award nominee and octopus expert Sy Montgomery. Inky had been at the New Zealand aquarium since 2014 after being taken in by a fisherman who found him at sea. Inky had been getting used to his new environment, but the staff quickly figured out that he had to be kept amused or he would get bored. Then one night in 2016 Inky, about the size of a basketball, decided he'd had enough. He slithered eight feet across the floor and down a drainpipe more than 160 feet long to his home in the sea. Acclaimed author Sy Montgomery reminds readers that Inky didn't escape—but instead, like the curious animal he is, wanted to explore the rest of the vast ocean he called his home.

"[Ziggy's] first collection of recipes pays homage to the flavors of his youth and the food he loves to cook for his wife and five children." --People.com "The musician, his family, and a few well-known chefs all contributed recipes, which are vibrant with fresh vegetables, herbs, and signature Jamaican ingredients like allspice berries and Scotch bonnet peppers . . . Readers will enjoy the vivid, colorful photos of the food and Marley's family." --Booklist "With a health-focused approach, Ziggy Marley reveals memories and food traditions in his new family cookbook." --Ebony "Ziggy rolls up his sleeves to produce Vegetarian Hash, dumplings, Jerk Chicken, Tofu in Coconut Curry, Fish Soup, Caribbean Salsa, Hempseed Pesto, Date and Kale Smoothie, Frittata, Mancakes, Mamá Carmelita's flan and even offers the best recipe for baking Stout Gingerbread. Simply explained, gluten-free, organic fruits and vegetables combine to make healthy, vegetarian, vegan and non-vegetarian meals." --The New York Beacon "The book features updated versions of favorite Jamaican and Rastafarian-inspired meals from those closest to him. Along with Marley's own creations, like the sublime Coconut Dream Fish and forementioned Mancakes, recipes include his wife Orly's morning oatmeal, his sister Karen's lentil soup, recipes from his daughter Judah and mother-in-law, fresh juices like those his father enjoyed and contributions from several renowned chefs." --Parade "Ziggy Marley and Family Cookbook is a medley of lively recipes like Roasted Yam Tart and Coconut Dream Fish." --Family Circle "Filled with enticing photos, the book includes the recipes of Marley and those close to him, including sister Karen and daughter Judah. It's a celebration of food and family. Containing meat and fish dishes, as well as vegan and vegetarian creations, it draws not only from the Jamaican and Rastafarian cultures that nurtured Marley, but also his wife Orly's Israeli-Iranian roots." --The Mercury News "An exquisite and delectable menu of succulent food." --Crave "The book is inspired by Jamaican meals Ziggy enjoyed while growing up—but with an up-dated healthy spin. It features contributions by wife Orly, sister Karen and daughter Judah. --The Chronicle Journal "Marley delivers a book full of flavors that appeal to the taste buds but also to clean eating . . . There is truly something here for every adventurous and organic-conscious foodie from the Marley family kitchen." --Insights Magazine "This is no typical island cookbook; rather, it's an innovative collection of healthful recipes from his family's Rastafarian and Jamaican roots, combined with dishes from his wife's Persian/Israeli background." --Paio Alto Daily News As the oldest son of Bob and Rita Marley, Ziggy was raised with both traditional Jamaican food and the more natural and healthy "Ital" food of the family's Rastafan culture. The fifty-four recipes included in the book, inspired by Ziggy's youth and accompanied by beautiful photos, are contributed by Ziggy, his wife Orly, his sister Karen, as well as renowned chefs Bruce Sherman (Coconut Carrot Curry), Ben Ford (Escabeche, Escovitch), and Leonie McDonald (Caribbean Salsa). Many of the recipes are vegetarian, vegan, and/or gluten-free. From the introduction by Ziggy Marley: "I first started dabbling in the kitchen as a teenager. I enjoyed making commaeal porridge, and it helped me to begin appreciating the idea of nourishment, the idea that food can make your body feel better. I would make Irish moss and some of my dad's juices...Our Rasta culture was different than regular Jamaican culture. We used to have both sides then, because my auntie would cook the more traditional Jamaican food. On the other side, our Rasta culture drew us to a different way of eating. My father would always have a lot of juices and greens and nuts. We were introduced to Ital food—fresh, organic, and nutritious, less salt."

In the latest chapter in the life of America's favorite loveable loser, Ziggy continues to endure life's little indignities with innocence and cuddly charm. Original.

As long as LonelyDaddy is on the other side of the computer screen, there's a chance he could be the man Emerson has been dreaming of. I've gotten used to being alone, to disappearing inside the fictional worlds between the pages of a book and letting my lonely life fade away. Books have never judged me for the stutter I can't control. Books have never abandoned me. Books have never let me down. Then again, books have never hugged me or told me they loved me either, so my plan is far from perfect. The first time I lay eyes on the tall, red-haired Kiernan with a beard for days and shoulders made for scratch marks, I wanted to crawl onto his lap and call him Daddy. The only problem is, I can never seem to string two words together around him... Heck, I'd be happy to manage to get even one word out, like maybe "yes," preferably over and over again. I thought making an online dating profile would be the hardest part, but it turns out getting up the courage to meet the man I've been messaging is even more difficult. Could LonelyDaddy be Kiernan? And if he is, is there any chance he'll want to keep me? Can I be his brave boy? \*\*\*Brave Boy is the online love-sweet, ginger Daddy-totally swoony-second book in the Perfect Boys series and can be read as a stand-alone.
