"There is no easy way to walk to freedom anywhere, and many of us will have to pass through the valley of the shadow of death again and again before we reach the mountain tops of our desires." -Nelson Mandela, September 1953 In spreading the message of freedom, equality, and human dignity, Nelson Mandela helped transform not only his own nation, but the entire world. Now his most important speeches are collected in a single volume. From the eve of his imprisonment to his release twenty-seven years later, from his acceptance of the Nobel Peace Prize to his election as South Africa's first black president, these speeches span some of the most pivotal moments of Mandela's life and his country's history. Arranged thematically and accompanied by tributes from leading world figures, Mandela's addresses memorably illustrate his lasting commitment to freedom and reconciliation, democracy and development, culture and diversity, and international peace and well-being. The extraordinary power of this volume is in the moving words and intimate tone of Mandela himself, one of the most courageous and articulate men of our time.

Through his words and deeds Nelson Mandela has been embraced by the world as a symbol of courage, hope and reconciliation. Collected in *In the Words of Nelson Mandela*, his comments on subjects as diverse as Humanity, Racism, Friendship, Oppression and Freedom provide an insight into the man and all he stands for. By turns moving, generous, humorous and sad, this book eloquently conveys his warmth and dignity. It will be both an inspiration and a source of strength for all who read it.

After two centuries of biographies and analyses, Admiral Lord Nelson speaks for himself in this collection of excerpts from his private letters and dispatches. Through Nelson's own words readers come to fully appreciate the admiral's insights and opinions. With chapters devoted to such subjects as duty, combat, politics, sea power, life and death, and Nelson's views of himself and his wife, Frances Nisbet, and mistress, Lady Hamilton, the book offers an array of memorable quotations. Each is placed in context to give contemporary dimension to the words. Engravings depicting events in Nelson's life accompany the text.

NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE BOSTON GLOBE, BOOKLIST, AND KIRKUS REVIEWS • From acclaimed historian Richard Norton Smith comes the definitive life of an American icon: Nelson Rockefeller—one of the most complex and compelling figures of the twentieth century. Fourteen years in the making, this magisterial biography of the original Rockefeller Republican draws on thousands of newly available documents and over two hundred interviews, including Rockefeller's own unpublished reminiscences. Grandson of oil magnate John D. Rockefeller, Nelson coveted the White House from childhood. "When you think of what I had," he once remarked, "what else was there to aspire to?" Before he was thirty he had helped his father develop Rockefeller Center and his mother establish the Museum of Modern Art. At thirty-two he was Franklin Roosevelt's wartime coordinator for Latin America. As New York's four-term governor he set national standards in education, the environment, and urban policy. The charismatic face of liberal Republicanism, Rockefeller championed civil rights and health insurance for all. Three times he sought the presidency—arguably in the wrong party. At the Republican National Convention in San Francisco in 1964, locked in an epic battle with Barry Goldwater, Rockefeller denounced extremist elements in the GOP, a moment that changed the party forever. But he could not wrest the nomination from the Arizona conservative, or from Richard Nixon four years later. In the end, he had to settle for two dispiriting years as vice president under Gerald Ford. In *On His Own Terms*, Richard Norton Smith re-creates Rockefeller's improbable rise to the governor's mansion, his politically disastrous divorce and remarriage, and his often surprising relationships with presidents and political leaders from FDR to Henry Kissinger. A frustrated architect turned master builder,

an avid collector of art and an unabashed ladies' man, "Rocky" promoted fallout shelters and affordable housing with equal enthusiasm. From the deadly 1971 prison uprising at Attica and unceasing battles with New York City mayor John Lindsay to his son's unsolved disappearance (and the grisly theories it spawned), the punitive drug laws that bear his name, and the much-gossiped-about circumstances of his death, Nelson Rockefeller's was a life of astonishing color, range, and relevance. *On His Own Terms*, a masterpiece of the biographer's art, vividly captures the soaring optimism, polarizing politics, and inner turmoil of this American Original. Praise for *On His Own Terms* "[An] enthralling biography . . . Richard Norton Smith has written what will probably stand as a definitive Life. . . . *On His Own Terms* succeeds as an absorbing, deeply informative portrait of an important, complicated, semi-heroic figure who, in his approach to the limits of government and to government's relation to the governed, belonged in every sense to another century."—*The New Yorker* "[A] splendid biography . . . a clear-eyed, exhaustively researched account of a significant and fascinating American life."—*The Wall Street Journal* "A compelling read . . . What makes the book fascinating for a contemporary professional is not so much any one thing that Rockefeller achieved, but the portrait of the world he inhabited not so very long ago."—*The New York Times* "[*On His Own Terms*] has perception and scholarly authority and is immensely readable."—*The Economist*

A Father's Legacy is the perfect gift for all fathers in your congregation. This journal allows them to record their life experiences and childhood memories with thought-provoking questions.

Theologians in Their Own Words is a volume of 24 brief, straight-forward autobiographical statements from many of the most important theologians and scholars of religion of recent decades. Each contributor sets out to discuss the development of their central insights and convictions in light of their life stories. The volume includes both previously published selections from *Dialog: A Journal of Theology*, as well as pieces specially commissioned for this volume. Included in the renowned and diverse list of contributors: Marilyn McCord Adams, Harvey Cox, Gerhard Forde, George Forell, Roger Haight, Philip Hefner, Robert Jenson, Ernst Käsemann, Martin Marty, Alister McGrath, Nancey Murphy, Wolfhart Pannenberg, Marion Pauck, Ted Peters, Clark Pinnock, John Polkinghorne, Rosemary Radford Ruether, Letty Russell, H. Paul Santmire, Hans Schwarz, Huston Smith, Paul Sponheim, Kathryn Tanner, Ronald Thiemann, and N.T. Wright.

This grandparent's memory journal takes you on a journey that will become a cherished family memoir. Designed in a 12-month format, each month features 12 intriguing questions with space to write a personal answer. Questions explore family history, childhood memories, lighthearted incidents, cherished traditions, and the dreams and spiritual adventures encountered in a lifetime of living. The written words become windows to a grandparent's heart.

The book that inspired the major new motion picture *Mandela: Long Walk to Freedom*. Nelson Mandela is one of the great moral and political leaders of our time: an international hero whose lifelong dedication to the fight against racial oppression in South Africa won him the Nobel Peace Prize and the presidency of his country. Since his triumphant release in 1990 from more than a quarter-century of imprisonment, Mandela has been at the center of the most compelling and inspiring political drama in the world. As president of the African National Congress and head of South Africa's anti-apartheid movement, he was instrumental in moving the nation toward multiracial government and majority rule. He is revered everywhere as a vital force in the fight for human rights and racial equality. *LONG WALK TO FREEDOM* is his moving and exhilarating autobiography, destined to take its place among the finest memoirs of history's greatest figures. Here for the first time, Nelson Rolihlahla Mandela tells the extraordinary story of his life—an epic of struggle, setback, renewed hope, and ultimate triumph.

Time Inc. presents a biographical sketch of Nelson Mandela as part of the "LIFE" magazine Hall of Heroes. South African statesman and President Nelson Mandela (1918-) was a political activist and spent 26 years in prison before the collapse of apartheid.

Now in paperback, this is a sublime and candid look at the man named Archie Leach who transformed himself by sheer willpower, work, talent and perseverance into the incomparable Hollywood star, Cary Grant. Timed for release just after the Cary Grant Centennial, the 100th Anniversary of his birth on January 18, 2004, this book reveals not only the debonair, witty leading man but the humble, shy and vulnerable human being. "Forget the other Grant books, this is it. Superb," - *Kirkus Reviews*, "A standout biography" - *Philadelphia Inquirer*
