This is one such story -- A story of two friends Vishwas and Shailja and their journey of seven days. The journey in which they were not together. Wreathed in smiles, with his bag of dreams, aspirations and youthful reveries, Vishwas, a typical middle class lad, a mealy-mouthed mummy-papa boy sets off on his dream journey from his small world in the tranquil foothills of the Himalayas. But soon the small town boy's dreams and fantasies are hijacked by the pace and character of the big city he lands in. The roller coaster called life derails from the path he chooses and goes amok refusing to stop, until he discovers a truth he hadn't imagined.
