(Booklist, starred review) from John Corey Whaley, author of the Printz and Morris Award–winning *Where Things Come Back*. Listen—Travis Coates was alive once and then he wasn ' t. Now he ' s alive again.

Simple as that. The in between part is still a little fuzzy, but Travis can tell you that, at some point or another, his head got chopped off and shoved into a freezer in Denver, Colorado. Five years later, it was reattached to some other guy ' s body, and well, here he is. Despite all logic, he ' s still sixteen, but everything and everyone around him has changed. That includes his bedroom, his parents, his best friend, and his girlfriend. Or maybe she ' s

From Jesse Andrews, author of the New York Times bestselling *Me and Earl and the Dying Girl* and screenwriter of the Sundance award-winning motion picture of the same name, comes a groundbreaking young adult novel about music, love, friendship, and freedom as three young musicians follow a quest to escape the law long enough to play the amazing show they hope (but also doubt) they have in them. Inspired by the years he spent playing bass in a band himself, *The Haters* is Jesse Andrews' s road trip adventure about a trio of jazz-camp escapees who,

against every realistic expectation, become a band. For Wes and his best friend, Corey, jazz camp turns out to be lame. It ' s pretty much all dudes talking in Jazz Voice. But then they jam with Ash, a charismatic girl with an unusual sound, and the three just click. It ' s three and a half hours of pure musical magic, and Ash makes a decision: They need to hit the road. Because the road, not summer camp, is where bands get good. Before Wes and Corey know it, they ' re in Ash ' s SUV heading south, and The Haters Summer of Hate Tour has begun. In his second novel, Andrews again brings his brilliant and distinctive voice to YA, in the perfect book for music lovers, fans of The Commitments (author Rody Doyle raves "The Haters is terrific. \*\*The Snapchat Original series, Denton's Deathdate, is here—check it out!\*\* Get ready to die laughing: this is an outrageously funny ride through the last hours of a teenager 's life as he searches for love, meaning, answers, and (just maybe) a way to live on. Denton Little 's Deathdate takes place in a world exactly like our own except that everyone knows the day on which they will die. For Denton, that 's in just two days—the day of his senior prom. Despite his early deathdate, Denton has always wanted to live a normal life, but his

final days are filled with dramatic firsts. First hangover. First sex. First love triangle—as the first sex seems to have happened not with his adoring girlfriend, but with his best friend 's hostile sister. (Though he 's not totally sure—see, first hangover.) His anxiety builds when he discovers a strange purple rash making its way up his body. Is this what will kill him? And then a strange man shows up at his funeral, claiming to have known Denton 's long-deceased mother, and warning him to beware of suspicious government characters. . . . Suddenly Denton 's life is filled with mysterious questions and precious little time to find the answers. Fall in love with Denton Little! Honor author A.S. King explores the desperate reality of a former child "star" struggling to break free of his anger. Gerald Faust started feeling angry even before his mother invited a reality TV crew into his five-year-old life. Twelve years later, he's still haunted by his rage-filled youth--which the entire world got to watch from every imaginable angle--and his anger issues have resulted in violent outbursts, zero friends, and clueless adults dumping him in the special education room at school. No one cares that Gerald has tried to learn to control himself; they're all just waiting for him to snap. And he's starting to feel dangerously close to doing just that...until he chooses to create possibilities for himself that he never knew he deserved.

Set in Northern California in the late '70s, this timeless coming-of-age story examines the nature of evil, the art of storytelling, and the possibility of redemption. Fifteen-year-old RJ Armante has never known a life outside his deadend hometown of Arcangel, CA. The Blackjacks rule as they have for generations, luring the poorest kids into their monopoly on petty crime. For years, they've left RJ alone, but now they have a job for him: prey upon an old loner in town. In spite of the danger, RJ begins to resist. He fights not only for himself, but for his younger brother, Charley, whose disability has always made RJ feel extra protective of him. For Roxanne, the girl he can't reach, and the kids in his crew who have nothing to live for. Even for the old loner, who
