Experienced users will appreciate the ease with which an enormous range of topics can be accessed. can be accessed.

A deep-seated questioning of her inherited religion resurfaces when Myrna Kostash chances upon the icon of St. Demetrius of Thessalonica. A historical, cultural and spiritual odyssey that begins in Edmonton, ranges around the Balkans, and plunges into a renewed vision of Byzantium in search of the Great Saint of the East delivers the author to an unexpected place-the threshold of her childhood church. An epic work of travel memoir, *Prodigal Daughter* sings with immediacy and depth, rewarding readers with a profound sense of an adventure they have lived. This book will appeal to readers interested in Ukrainian-Canadian culture, the Eastern Church, and medieval history, as well as to fans of Kostash's bold creative nonfiction.

"I will always be somebody." This assertion, a startling one from a nineteenth-century woman, drove the life of Dr. Mary Edwards Walker, the only American woman ever to receive the Medal of Honor. President Andrew Johnson issued the award in 1865 in recognition of the incomparable medical service Walker rendered during the Civil War. Yet few people today know anything about the woman so well-known--even notorious--in her own lifetime. Kaminski shares a different way of looking at the Civil War, through the eyes of a woman confident she could make a contribution equal to that of any man. This part of the story takes readers into the political cauldron of the nation's capital in wartime, where Walker was a familiar if notorious figure. Mary Walker's relentless pursuit of gender and racial equality is key to understanding her commitment to a Union victory in the Civil War. Her role in the women's suffrage movement became controversial and the US Army stripped Walker of her medal, only to have the medal reinstated in 1977.
