Abstract. An environment committed to providing family-centered care to children must be aware of the nurse caring behaviors

Access Free

Pediatric

Emergency Nursing  
important to  
parents of children.

This descriptive  
study assessed the  
psychometrics of a  
revised version of  
the Caring  
Behaviors  
Assessment (CBA)  
and examined  
nurse caring  
behaviors  
identified as  
important to the
