Saving Service was a small federal maritime organization that carried out amazing rescues of those in distress close to shore. Working from small stations scattered along the coastlines of the United States and using only oar-powered boats, none longer than 36 feet, crewmembers came to be known

## Bookmark File PDF So Others Might Live

as "storm warriors" as they pulled off rescues that almost defied belief. Considered one of the most valorous organizations ever run by the U.S. government, the service carried out thousands of rescues, and many of its men lost their lives in the effort to save others. Yet since its incorporation into
