A Soldier's Story, (1984) is the story of an Army sergeant who is found murdered in cold blood. Whodunnit? The choices are many in this engrossing, complex morality play which is set in the backdrop of the segregated Army of WWII. (Only 60 years ago!) This is truly a black eye on the military if there ever was one.

Tommy Atkins is the English soldier, who joking broke the cavalry of France at Minden, who singing marched with the Great Duke to the Danube, who grumbling shattered Napoleon's dreams at Waterloo, who sweating in his red coat tramped back and forth across Indis, who kept his six-rounds-to-the-minute at Mons, and who died in the mud at Passchendaele, the sands of the Western Desert, and the jungles of Burma. If his name has been eclipsed by his more illustrious commanders - Cromwell, Marlborough, Moore, Wolfe, Wellington, Allenby, Slim - they at least will accord him his rightful place beside them. They knew his worth. Tommy Atkins is his story - the story of this most versatile, most adaptable, most unilitary soldier.

In the 1700s, women's responsibilities were primarily child rearing and household duties. But Deborah Sampson wanted more from life. She wanted to read, to travel—and to fight for her country's independence. When the colonies went to war with the British in 1775, Deborah was intent on being part of the action. Seeing no other option, she disguised herself in a man's uniform and served in the Continental army for more than a year, her identity hidden from her fellow soldiers. Accomplished writer Sheila Solomon Klass creates a gripping firstperson account of an extraordinary woman who lived a life full of danger, adventure, and intrigue.

The story of the author's great-grandfather's Civil War experience, based on a remarkable set of newly discovered letters—a powerful, moving addition to the firsthand soldiers' accounts of the Civil War. Dear Mother, I was very glad to hear from home this morning. It is the first time since I left Otterville. We marched from Sedalia 120 miles....I almost feel anxious to be in a battle & yet I am almost afraid. I feel very brave sometimes & think if I should be in an engagement, I never would leave the field alive unless the stars & stripes floated triumphant. I do not know how it may be. If there is a battle & I should fall, tell with pride & not with grief that I fell in defense of liberty. Pray that I may be a true soldier. Not since Stephen Crane's The Red Badge of Courage have the trials and tribulations of a private soldier of the Civil War been told with such beguiling force. The Red Badge of Courage, however, was fiction. This story is true. In Testament, Benson Bobrick draws upon an extraordinarily rich but hitherto untapped archive of material to create a continuous narrative of how that war was fought and lived. Here is virtually the whole theater of conflict in the West, from its beginnings in Missouri, through Kentucky and Tennessee, to the siege of Atlanta under Sherman, as experienced by Bobrick's great-grandfather, Benjamin W. ("Webb") Baker, an articulate young Illinois recruit. Born and raised not far from the Lincoln homestead in Coles County, Webb had stood in the audience of one of the Lincoln-Douglas debates, become a staunch Unionist, and answered one of Abraham Lincoln's first calls for volunteers. The ninety-odd letters on which his story is based are fully equal to the best letters the war produced, especially by a common soldier; but their wry intelligence, fortitude, and patriotic fervor also set them apart with a singular and still-undying voice. In the end, that voice blends with the author's own, as the book becomes a poignant tribute to his great-grandfather's life -- and to all the common soldiers of the nation's bloodiest war.

For several decades a brutal army of rebels has been raiding villages in northern Uganda, kidnapping children and turning them into soldiers or wives of commanders. More than 30,000 children have been abducted over the last twenty years and forced to commit unspeakable crimes. Grace Akallo was one of these. Her story, which is the story of many Ugandan children, recounts her terrifying experience. This unforgettable book—with historical background and insights from Faith McDonnell, one of the clearest voices in the church today calling for freedom and justice—will inspire readers around the world to take notice, pray, and work to end this tragedy.

This is the untold story of Sallie, a dog whose life as a soldier began in a basket and ended as a Civil War hero. The pup barked and nearly tumbled out of the basket. We laughed, and immediately we knew—she was one of us already. Brindle fur with streaks of brown and black swirled all over her like a patchwork quilt. She was as pretty as an apple tree in full bloom. We called her Sallie. During the Civil War, Sallie came to the 11th Pennsylvania Volunteer Infantry as a gift from a townsperson, but she quickly became a favorite among her men. She marched with them from battle to battle, always guarding the unit's colors, and even met President Lincoln. And over three long days at the battle of Gettysburg, Sallie stayed with the dead, guarded their bodies, and nearly died herself from hunger and thirst as the conflict raged on. Though she fell in battle, her loyalty was rewarded years later when her men met again on the battlefield at Gettysburg to erect her likeness in bronze so that she might eternally guard them. This beautiful story about a dog's dedication and loyalty shows that bravery comes in all shapes and forms!

Led by their brave leader the Bold Tin Soldier, a battalion of toy soldiers put on a parade of fancy drills for all of their friends in the toy shop where they live (after the store has closed down for the day, of course). But just as the exhibition gets underway, the soldiers find out that one of their chums is in need of rescue.
