Recounts how Texas oil transformed wealth and power in America through the stories of the state's four most influential oil families, tracing how they rose from modest backgrounds, shaped the government, and bankrolled the rise of modern conservatism.

"What's not to enjoy about a book full of monstrous egos, unimaginable sums of money, and the punishment of greed and shortsightedness?" *The Economist* Phenomenal reviews and sales greeted the hardcover publication of *The Big Rich*, New York Times bestselling author Bryan Burrough's spellbinding chronicle of Texas oil. Weaving together the multigenerational sagas of the industry's four wealthiest families, Burrough brings to life the men known in their day as

## Acces PDF The Big Rich Rise And Fall Of Greatest Texas Oil Fortunes Bryan

**the Big Four:** Roy Cullen, H. L. Hunt, Clint Murchison, and Sid Richardson, all swaggering Texas oil tycoons who owned sprawling ranches and mingled with presidents and Hollywood stars. Seamlessly charting their collective rise and fall, *The Big Rich* is a hugely entertaining account that only a writer with Burrough's abilities-and Texas upbringing-could have written.

As Americans, we have been taught to be obsessed with money and the people who have it. We are curious about what they buy, where they vacation, and what separates them from the rest of us. Rich puts the American obsession with all things money into much-needed perspective and context, exposing the origins of the upper class. The book traces the

## Acces PDF The Big Rich Rise And Fall Of Greatest Texas Oil Fortunes Bryan

history of the American rich from 1920 up to today, examining the who, what, when, where, and why of the wealthy elite. With its hundreds of compelling, real-life stories, Rich offers a fascinating window into this world few ever see. Samuel delves into the secrets about the rich and famous: Who were the Gateses, Bransons, and Trumps (and even Paris Hiltons) of the past? How did the rich show off their status? What did they splurge on and how did they scrimp when times got tough? Rich also explores the rise of the first mass affluent class in America and the virtual demise of old money as we knew it. Enlightening and often surprising, Rich gives us a deeper understanding of our country's wealthiest and most enigmatic class.

A Financial Times Best Book of the Year Shortlisted for the Lionel Gelber Prize There has always been some gap between rich and poor in this country, but recently what it means to be rich has changed dramatically. Forget the 1 percent—Plutocrats proves that it is the wealthiest 0.1 percent who are outpacing the rest of us at breakneck speed. Most of these new fortunes are not inherited, amassed instead by perceptive businesspeople who see themselves as deserving victors in a cutthroat international competition. With empathy and intelligence, Plutocrats reveals the consequences of concentrating the world's wealth into fewer and fewer hands. Propelled by fascinating original interviews with the plutocrats themselves, Plutocrats is a tour de force of social and economic history, the definitive examination of inequality in

# Access PDF The Big Rich Rise And Fall Of Greatest Texas Oil Fortunes Bryan Burroughs

A New York Times bestseller! "Lively and absorbing. . ." The New York Times Book Review "Engrossing." Wall Street Journal "Entertaining and well-researched . . ." Houston Chronicle Three noted Texan writers combine forces to tell the real story of the Alamo, dispelling the myths, exploring why they had their day for so long, and explaining why the ugly fight about its meaning is now coming to a head. Every nation needs its creation myth, and since Texas was a nation before it was a state, it's no surprise that its myths bite deep. There's no piece of history more important to Texans than the Battle of the Alamo, when Davy Crockett and a band of rebels went down in a blaze of glory fighting for independence from

## Acces PDF The Big Rich Rise And Fall Of Greatest Texas Oil Fortunes Bryan

Mexico, losing the battle but setting Texas up to win the war. However, that version of events, as Forget the Alamo definitively shows, owes more to fantasy than reality. Just as the site of the Alamo was left in ruins for decades, its story was forgotten and twisted over time, with the contributions of Tejanos--Texans of Mexican origin, who fought alongside the Anglo rebels--scrubbed from the record, and the origin of the conflict over Mexico's push to abolish slavery papered over. Forget the Alamo provocatively explains the true story of the battle against the backdrop of Texas's struggle for independence, then shows how the sausage of myth got made in the Jim Crow South of the late nineteenth and early twentieth century. As uncomfortable as it may be to hear for some, celebrating the Alamo has long had an echo of

## Acces PDF The Big Rich Rise And Fall Of Greatest Texas Oil Fortunes Bryan

celebrating whiteness. In the past forty-some years, waves of revisionists have come at this topic, and at times have made real progress toward a more nuanced and inclusive story that doesn't alienate anyone. But we are not living in one of those times; the fight over the Alamo's meaning has become more pitched than ever in the past few years, even violent, as Texas's future begins to look more and more different from its past. It's the perfect time for a wise and generous-spirited book that shines the bright light of the truth into a place that's gotten awfully dark.

the holy grail of information on Big Star and the late Chris Bell. An oral history spanning 400 pages, *There Was A Light* is exhaustive in its detail and entrancing in its storytelling.

## Acces PDF The Big Rich Rise And Fall Of Greatest Texas Oil Fortunes Bryan

Under the Radar Available for the first time as a traditional paperback, this revised and updated edition contains new and archival interviews with those closest to Chris Bell and the Big Star circle: their friends, family, former bandmates—even fans, exes, classmates, and coworkers. Bell's and Big Star's existence was short, but the wealth of stories and quotes here provides a healthy sustenance for the truth seekers. A top-notch biography. —San Francisco Book Review The varied cast of voices—many from the band's hometown of Memphis—comprises all the members of Big Star, including Chris Bell, the iconic Alex Chilton, Andy Hummel, and Jody Stephens. In the following decades after its 1975 breakup, the obscure group somehow reached and inspired some of rock's most important bands, including

## Acces PDF The Big Rich Rise And Fall Of Greatest Texas Oil Fortunes Bryan

R.E.M., the Replacements, Yo La Tengo, Teenage Fanclub, Beck, and Wilco. With Chris Bell at the center of the Big Star universe, this book carefully reveals the production of the band's masterful 1972 debut LP, #1 Record, for Ardent/Stax Records. Despite stellar reviews, the record suffered abysmal sales. Soon after, toxic personality conflicts and turmoil tore the band apart while Bell battled drug abuse and depression. There Was A Light then delves into Big Star's second and third albums, while recounting Bell's second act as a struggling solo musician and born-again Christian. During several trips to Europe, he produced ambitious recordings and pitched himself to record labels—even crossing paths with Paul McCartney. From this fertile era arose Bell's lone solo album, the posthumously released I Am the Cosmos—his

Swan song and masterpiece. There Was A Light details the pop culture phenomenon that made Big Star legendary and divulges how its staunch fanbase saved the band from obscurity. "... an encyclopedic compendium...illuminating Bell's life from a thousand angles." Memphis Flyer

The Weathermen. The Symbionese Liberation Army. The FALN. The Black Liberation Army. The names seem quaint now, when not forgotten altogether. But there was a stretch of time in America, roughly between 1968 and 1975, when there was on average more than one significant terrorist act in this country every week, and the FBI combated these groups and others as nodes in a single revolutionary underground, dedicated to the violent overthrow of the American

## Acces PDF The Big Rich Rise And Fall Of Greatest Texas Oil Fortunes Bryan

Burrough. The FBI's response to the leftist revolutionary counterculture has not been treated kindly by history, and it is true that in hindsight many of its efforts seem almost comically ineffectual, if not criminal in themselves. But one aim of Bryan Burrough's book is to temper those easy judgments with an understanding of just how deranged these times were, how charged with menace. Burrough re-creates an atmosphere that seems almost unbelievable just forty years later, conjuring a time of native-born radicals, most of them "nice middle-class kids," smuggling bombs into skyscrapers and detonating them inside the Pentagon and the U.S. Capitol, at a courthouse in Boston, at a Wall Street restaurant packed with lunchtime diners. Radicals who robbed dozens of banks and assassinated policemen in New

## Acces PDF The Big Rich Rise And Fall Of Greatest Texas Oil Fortunes Bryan

York, San Francisco, Atlanta. The FBI's fevered response included the formation of a secret task force called Squad 47, dedicated to hunting the groups down and rolling them up. But Squad 47 itself was not overly squeamish about legal niceties, and its efforts ultimately ended in fiasco. Benefiting from the extraordinary number of people from the underground and the FBI who speak about their experiences for the first time, Days of Rage is filled with important revelations and fresh details about the major revolutionaries and their connections and about the FBI and its desperate efforts to make the bombings stop.

"Think of it as a Texas version of Hillbilly Elegy." □ Bryan Burrough, New York Times bestselling author of THE BIG

## Acces PDF The Big Rich Rise And Fall Of Greatest Texas Oil Fortunes Bryan

**RICH and BARBARIANS AT THE GATE** "Bryan Mealer has given us a brilliant, and brilliantly entertaining, portrayal of family, and a bursting-at-the-seams chunk of America in the bargain. □ □ Ben Fountain, bestselling author of Billy Lynn's Long Halftime Walk A saga of family, fortune, faith in Texas, where blood is bond and oil is king... In 1892, Bryan Mealer's great-grandfather leaves the Georgia mountains and heads west into Texas, looking for wealth and adventure in the raw and open country. But his luck soon runs out. Beset by drought, the family loses their farm just as the dead pastures around them give way to one of the biggest oil booms in American history. They eventually settle in the small town of Big Spring, where fast fortunes are being made from its own reserves of oil. For the next two generations, the Mealers live

## Acces PDF The Big Rich Rise And Fall Of Greatest Texas Oil Fortunes Bryan

On the margins of poverty, laboring in the cotton fields and on the drilling rigs that sprout along the flatland, weathering dust and wind, booms and busts, and tragedies that scatter them like tumbleweed. After embracing Pentecostalism during the Great Depression, they rely heavily on their faith to steel them against hardship and despair. But for young Bobby Mealer, the author's father, religion is only an agent for rebellion. In the winter of 1981, when the author is seven years old, Bobby receives a call from an old friend with a simple question, "How'd you like to be a millionaire?" Twenty-six, and with a wife and three kids, Bobby had left his hometown to seek a life removed from the blowing dust and oil fields, and to find spiritual peace. But now Big Spring's streets are flooded again with roughnecks, money, and sin. Boom chasers pour

## Acces PDF The Big Rich Rise And Fall Of Greatest Texas Oil Fortunes Bryan

in from the busted factory towns in the north. Drilling rigs rise like timber along the pastures, and poor men become millionaires overnight. Grady Cunningham, Bobby's friend, is one of the newly-minted kings of Big Spring. Loud and flamboyant, with a penchant for floor-length fur coats, Grady pulls Bobby and his young wife into his glamorous orbit. While drilling wells for Grady's oil company, they fly around on private jets and embrace the honky-tonk high life of Texas oilmen. But beneath the Rolexes and Rolls Royce cars is a reality as dark as the crude itself. As Bobby soon discovers, his return to Big Spring is a backslider's journey into a spiritual wilderness, and one that could cost him his life. A masterwork of memoir and narrative history, *The Kings of Big Spring* is an indelible portrait of fortune and ruin as big as

# Acces PDF The Big Rich Rise And Fall Of Greatest Texas Oil Fortunes Bryan

Texas itself. And in telling the story of four generations of his family, Mealer also tells the story of America came to be.
