While on a Halloween cruise in Galcier Bay, Alaska, to visit Velma's goldminer Uncle Brad, Scooby-Doo and his friends encounter ice monsters from a melting glacier, creatures the ship's captain tells them are a sign of bad luck.

Frantic about his missing wife, Adam Reese travels to a small island off the coast of Canada with their thirteen year old son, Sean. There the two learn that a major new animal discovery was made while Mary was filming a documentary on polar bears for Planet X. Now members of that film crew are disappearing, one by one. Is it because the documentary is now worth millions? Not any amount of money or new animal discovery drives Adam on. Adam won't give up finding the love of his life, Mary, especially for the sake of their son. Somehow, Adam must rescue Mary from the fanged creature that has snatched her out of the cold, freezing snow. He must save her from the white-haired Bigfoot, the Yeti...the monster of the ice. Recommended reading age: 13-17

This New York Times bestseller from David Walliams, the UK's #1 bestselling children's author and "the heir to Roald Dahl" (The Spectator), launched his books stateside in a big way! Walliams makes going to the dentist a wacky adventure with his signature humor—this is one dentist appointment you don't want to miss. Something strange is happening in Alfie's town. Instead of shiny coins from the Tooth Fairy, kids are waking up to dead slugs, live spiders, and other dreadfully icky things under their pillows. Who would do something so horrific? Alfie is sure that Miss Root, the creepy new dentist in
