When Pitch and Katherine go missing, the Man in the Moon recruits the sleepy but clever Sandman to aid the Guardians' cause in an adventure that finds them struggling to convince their new member to accept a more optimistic perspective. By the creator of the best-selling The Fantastic Flying Books of Mr. Morris Lessmore.

Academy Award winner William Joyce’s Guardians recruit Sanderson ManSnoozy, the sleepy legend also known as the Sandman, to their cause in this fourth chapter book adventure. When the Man in the Moon brought together the Guardians, he warned them that they would face some terrible evils as they strove to protect the children of earth. But nothing could have prepared them for this: Pitch has disappeared and taken Katherine with him. And now the Guardians are not only down one member, but a young girl is missing. Fortunately, MiM knows just the man to join the team. Sanderson ManSnoozy—known in most circles as the Sandman—may be sleepy, but he’s also stalwart and clever and has a precocious ability to utilize sand in myriad ways. If the other Guardians can just convince Sandy that good can triumph evil, that good dreams can banish nightmares, they’ll have themselves quite a squad. But if they can’t...they might never see Katherine again.

Provides the background, history, and life of Sanderson Mansnoozie, better known as the Sandman, who helps the Man in the Moon keep children safe at night by bringing them sweet dreams.

Nicholas St. North, a daredevil swordsman seeking treasure in the fiercely guarded village of Santoff Clausen finds, instead, the great wizard Ombric Shalazar and a battle against the Nightmare King and his evil Fearlings--a battle Nicholas can win onlyif he finds five other Guardians in time.

The Guardians’ powers are put to the ultimate test in their final battle in this thrilling conclusion to the epic chapter book series from William Joyce. When we last saw the Guardians, they were celebrating their victory during Bright Night, the final great Battle of the Moon, where they defeated Pitch once and for all. Or so they thought. Now, many years later, the Guardians have settled into their final selves, embracing their public images and the Earth Holidays. But the world has not been without evil since Pitch’s imprisonment. All the Guardians feel the weight of lurking menace, but Jack Frost—now half human, half of his former self Nightlight—feels it the most. Jack’s transition from Nightlight to Guardian was not an easy one. Always inclined to keep to himself, Jack has become especially isolated from the other Guardians since his transformation. Yet it is Jack who Ombric Shalazar (once a great wizard, now known as Father Time) trusts with a tremendous secret. But for Jack to fully understand this secret, he must revisit his past—and finally tell his story. Jack’s story, however, isn’t the only one to be reopened; an old enemy whose chapter we thought closed will reappear and with him bring a darkness and destruction that will test the Guardians like never before. It’s a battle of superlatives—the worse fighting the greatest, but where, oh where, is Jack?

E. Aster Bunnymund uses his martial arts skills, his network of tunnels, and the help of MiM, Sand Mansnoozy, and Nicholas St. North to battle the Nightmare King, Pitch, who has sent a venomous serpent to attack Bunnymund’s royal guard of warrior eggs.

Get to know the gorilla who was raised like a human in this “captivating” (School Library Journal) picture book classic inspired by a true story from the brilliant mind that brought you The Fantastic Flying Books of Mr. Morris Lessmore. Gertrude Lintz loved animals. And she had dozens, never mind that she lived in New York City. But one baby was her favorite. and she took care of this baby just like any other mother would. Except there was one difference: The baby was actually a baby gorilla named Buddy. Gertrude raises Buddy like a civilized human, but can—or, rather, should—wild animals be civilized? Based on the true story of Gertrude Lintz, the most famous dog breeder of the 1930s, Buddy is a moving, high-spirited adventure about a gorilla’s life in the city, and how the urban jungle can’t really compare to a real one.
