"Own Your Morning will guide you to create personalized daily rituals that center you, energize you, and give you the power to fully show up for your day. Liz provides simple and practical insights to start adding magic and meaning back to your mornings." --Jay Shetty, #1 New York Times best-selling author of Think Like a Monk and host of the On Purpose podcast Rise and truly shine with a life-changing new morning routine. Find clarity and happiness with this start-your-day plan that prioritizes your wellness and life goals. Good days start with good mornings and Editor-in-Chief of Women's Health Liz Baker Plosser believes there's no cookie cutter morning ritual that will lead you to success. Instead she advocates that your a.m. routine should reflect what matters most to you. Own Your Morning starts with easy prompts to help you identify your core values--the way you want to spend your energy, time, and resources. Once you've figured out the elements of your personal perfect morning, you'll find proven insights from wellness experts and personal anecdotes from Liz to help you reimagine your a.m. habits to benefit your physical and mental health, focus your energy, enhance your productivity, and make the most of your day from the moment you wake up. Whether you want to amp up a killer workout (sweat changes everything!), tap into the power of meditation (Jay Shetty shares his go-to meditation practice), create mini-moments of connectivity with loved ones (such as creating emoji shorthand in your group chat), or fuel your a.m. awesomeness with a healthy breakfast (including a few recipes!), these easy-to-implement strategies will help you set a morning routine unique to you.

Allison Westfahl's Core Envy will tone and sculpt your abs, back, stomach, and sides—and build a strong, sexy core you'll love showing off. Her Core Envy program solves the problems other abs programs ignore with a three-part approach to slim down and tone up. You'll clean up your diet, fire up your metabolism, and tighten up all the muscles of your core without a gym or equipment. In just three weeks, you'll start seeing results. Westfahl is an acclaimed personal trainer who developed her effective core sculpting program for women at several of the nation's most prestigious health clubs. Her clients came to her because they were frustrated by traditional abs programs that involved impossible diets, endless cardio and crunches, sketchy supplements, and tedious calorie counting. Allison's 8-week Core Envy program is a better way to tone and sculpt. Core Envy lays out a triple threat of cardio workouts, sculpting routines, and a diet makeover. It's a balanced approach that promotes both fitness and weight loss, and you won't need a gym to make it happen. Allison's cardio and sculpting workouts average just 30 minutes and don't require special equipment. Her high-intensity cardio workouts coupled with full core functional exercises will make sure you slim down while you sculpt all the muscle groups you need for a sleek, toned core. Three levels let you amp it up or tone it down to match your current fitness level. Allison streamlines dieting with healthy, flavorful foods and snacks that will keep you energized as you rev up your metabolism. Her tasty recipes and complete meal plans simplify calorie counting and make weight loss painless. Core Envy will help you get the sleek, sculpted core you want. After Westfahl's 8-week program, you'll look great and feel confident rocking a fit and feminine look. Allison Westfahl is an exercise physiologist, certified personal trainer, and fitness nutrition specialist. After earning an undergraduate degree from Yale, Westfahl moved to Denver to pursue a career in helping people live a healthy, active lifestyle. She quickly made her mark on the industry, becoming the youngest-ever Director of Personal Training at a nationally top-rated health club. She has managed and directed personal training teams at high-end health clubs in Boulder and Denver since 2003. Westfahl is known for creating innovative, effective core strength and sculpting routines. She has trained elite professional athletes, helped choreograph workout videos for Gaiam, and been featured in publications ranging from Shape to Bicycling to the Denver Post. She holds an MS in exercise science and a coaching certification from USA Triathlon, and has earned a CPT, PES, and FNS from the National Academy of Sports Medicine.

Mention the name Bill Phillips to any of the people he's helped transform and you will see their faces light up with appreciation and respect. These people include: Hundreds of thousands of men and women who read his magazine for guidance and straightforward information about exercise, nutrition, and living with strength. Elite professional athletes, among them John Elway, Karl Malone, Mike Piazza, and Terrell Davis who have turned to Phillips for clear – cut information to enhance their energy and performance. People once plagued by obesity, alcoholism, and life – threatening ailments who accepted a personal challenge from Bill Phillips and, with his help, have regained control of their bodies and their lives. When you begin to apply the information in this book, you will be proving to yourself that astounding changes are within your grasp too. And, you will discover Body – for – LIFE is much more than a book about physical fitness ?t's a gateway to a new and better life, a life of rewarding and fulfilling moments, perhaps more spectacular than you've ever dared to dream before. Within 12 weeks, you too are going to know ?ot believe, but know : that the transformation you've created with your body is merely an example of the power you have to transform everything else in your world. In language that is vivid and down – to – earth, Bill Phillips guides you, step by step, through the integrated Body – for – LIFE Program, which reveals: How to lose fat and increase your strength by exercising less, not more; How to tap into an endless source of energy by living with the Power Mindset™; How to create more time for everything meaningful in your life; How to trade hours of aerobics for minutes of weight training ?ith dramatic results; How to make continual progress by using the High – Point Technique™; How to feed your muscles while starving fat with the Nutrition – for – LIFE Method™; How thousands of ordinary people have now become extraordinary and how you can, too; How to gain control of your body and life, once and for all. The principles of the Body – for – LIFE Program are surprisingly simple but remarkably powerful. So allow yourself to experience the force of the information in this book, allow yourself to take your mind, your body, your life to a higher point than you may have ever dreamed you could. All in as little as 12 weeks.

"Hosts of all kinds, this is a must-read!" --Chris Anderson, owner and curator of TED From the host of the New York Times

podcast Together Apart, an exciting new approach to how we gather that will transform the ways we spend our time together--at home, at work, in our communities, and beyond. In *The Art of Gathering*, Priya Parker argues that the gatherings in our lives are lackluster and unproductive--which they don't have to be. We rely too much on routine and the conventions of gatherings when we should focus on distinctiveness and the people involved. At a time when coming together is more important than ever, Parker sets forth a human-centered approach to gathering that will help everyone create meaningful, memorable experiences, large and small, for work and for play. Drawing on her expertise as a facilitator of high-powered gatherings around the world, Parker takes us inside events of all kinds to show what works, what doesn't, and why. She investigates a wide array of gatherings--conferences, meetings, a courtroom, a flash-mob party, an Arab-Israeli summer camp--and explains how simple, specific changes can invigorate any group experience. The result is a book that's both journey and guide, full of exciting ideas with real-world applications. *The Art of Gathering* will forever alter the way you look at your next meeting, industry conference, dinner party, and backyard barbecue--and how you host and attend them.
