Organized into more than 200 thought- and action-provoking elements—from the importance of clean trucks and bathrooms to conversations with entrepreneurs creating new markets—Tom Peters, bestselling management guru offers a practical guide to impractical times. In *The Pursuit of Wow!*, Tom Peters offers readers the words, the tools, to survive in tumultuous business environments. In his groundbreaking book, *In Search of Excellence* changed the way business does business. Now it's time to take the next leap into the cyberstage era. Getting to a place called excellence is no longer the idea. You've got to take that leap, then leap again—catapult their imaginations, blow their mindsets—in a word, wow! them. Once more the unconventional Peters stimulates corporate thought processes. Along with the best of his columns, Peters includes questions and rebuttals that come from readers and listeners, as well as his own candid responses. A must-read for every business person.

A compelling dual-narrated tale from Jennifer Latham that questions how far we've come with race relations. Some bodies won't stay buried. Some stories need to be told. When seventeen-year-old Rowan Chase finds a skeleton on her family's property, she has no idea that investigating the brutal century-old murder will lead to a summer of painful discoveries about the present and the past. Nearly one hundred years earlier, a misguided violent encounter propels seventeen-year-old Will Tillman into a racial firestorm. In a country rife with violence against blacks and a hometown segregated by Jim Crow, Will must make hard choices on a painful journey towards self discovery and face his inner demons in order to do what's right the night Tulsa burns. Through intricately interwoven alternating perspectives, Jennifer Latham's lightning-paced page-turner brings the Tulsa race riot of 1921 to blazing life and raises important questions about the complex state of US race relations--both yesterday and today.
