Cities, Change, and Conflict / Edition 4 by Nancy ...

Cities, Change, and Conflict was one of the first texts to embrace the perspective of political economy as its main explanatory framework, and then complement it with the rich contributions found in the human ecology perspective. Although its primary focus is on North American cities, the book contains several chapters on cities in other parts of the world, including Europe and developing nations, providing both historical and contemporary accounts on the impact of globalization on urban ...
