The City at the End of Things | Representative Poetry Online

An End city is a massive, complex structure that can be found in the Outer End. After the Ender Dragon is defeated in a game world, an End Gateway will appear. It leads to the outer islands of the End, which are a thousand blocks away from the central island. In survival mode, the only way to reach the outer End is by throwing an ender pearl into the gateway, or by building an incredibly long ...
