Civilization: The West and the Rest with Niall Ferguson | PBS

Western civilization, the West. Decades ago, Edward Said noted Western Europe's tendency to claim Greek, Roman, and even aspects of Egyptian civilization as its own. The Roman Empire has long been seen (perhaps anachronistically) by the West as a "Western" phenomenon, but it could instead be seen as a Mediterranean phenomenon.

Civilization: The West and the Rest by Niall Ferguson

He ends that discussion with optimism for the West and a challenge: "Yet this Western package [civilization] still seems to offer human societies the best available set economic, social and political institutions—the ones most likely to unleash the individual human creativity capable of solving the problems the twenty first century world faces.
