The Simple Diet. I follow a very simple diet – I eat food. I eat things that either grew in the ground, or ate what grew in the ground. Real food. If I can't tell how some "food" was made using actual plants or meat, I don't eat it. If it comes in a box, doesn't spoil, or has a long list of ingredients, I don't eat it.

## **How To Eat Simply - Simple Living Daily**

A simple life is not filled with complications and distractions, it is a life that is lived focused on things that matter to the person. It can also have varying extremes. For some, it's as simple as cutting their cable bills and getting rid of the TV, while others can go as far as living "off the grid."
