While the maximum size and shape of lode claims and placer claims are established by statute, there are no limits on the number of claims one person may locate or own. The Mining Law also contains provision for acquiring five-acre claims of non-mineral land for millsite purposes. A mining operation typically is comprised of many mining claims.

## **Minerals & Mining Law - FindLaw**

1 The Mines Regulations 2014 have replaced all previous legislation specifically relating to health and safety in mines. Their aim is to protect mineworkers and others from the significant hazards inherent to mining.
