Parts Department. North Harbor Diesel's parts department started as logistics support for our in-house mechanics. As our mechanics ranks grew, so did our inventory levels. Today we stock most major marine product lines and accessories. We specialize in diesel engine parts and are the only importing dealer for Hino marine parts. We at North Harbor believe that just because we live in a remote area, we should not have to wait several days to get the parts our mechanics and customers need.

Hino Exhaust Risers. If you are looking for the best exhaust riser for your US Marine Hino W04 series, Hino W06 series or the EH700 then you just found them. Our 316L stainless steel exhaust risers are far superior to the factory cast iron units. They have less backpressure, flow better and last a lot longer and cost a lot less. EH 700 long drop both straight or angled to port we have them.

### Hino Exhaust Risers - Greenwater Marine

While the Hino base engines were quite robust, the marinizing scheme that utilized a cast aluminum exhaust manifold with an incorporated heat exchanger proved to be disastrous. The "Manicoolers" as they were called, quickly pitted and breached from the combination of erosion, cavitation, and galvanic corrosion, flooding the engines with coolant. ...

Hino Blue Coolant for Hino's Conventional Models (238-338) provides a 4 year/500K change Interval

### HINO TRUCK PARTS

My own father was a victim of this debacle when both the combined heat exchanger/exhaust manifolds on his engines failed. Replacement cost was a whopping cost of \$6,000 each! Next, along came US Marine and their marinization of the Japanese Hino diesel.

### Diesel Engines: Aluminum Cooling System Component Failures

The HINO J05 series diesel engine was developed based on an engine for HINO medium duty trucks and buses. It belongs to the same family as the HINO J08 series and both series employ lots of common parts, such as pistons, cylinder liners, etc., which allows better availability of spare parts.
