Though it seems as if the easiest solution would be to try all the arrangements of the cards, Gennai explains that this could take them to an alternate world of sorts and they really only have one shot to place the cards in the right order. That night Izzy is up late talking to Gennai about the two worlds, the real world and the Digital World. He explains to Izzy that Digimon have attributes, are sorted into Data, Virus and Vaccine, and because he has no attributes, he is not technically ...
