A client newsletter is an inexpensive method for marketing legal services available from a law firm or corporate law department. The subjects covered in a newsletter can provide clients with timely legal information to plan their business, avoid legal disputes and meet filing requirements of government agencies.

### **Rainmaking with a Law Firm Newsletter - FindLaw**

An informative newsletter that is relevant to the client's business or personal legal affairs can be a very powerful client-relations tool. The key word here is "relevant." This suggests that the best approach for many law firms is to produce a series of newsletters, each aimed at a specific sector of a firm's client base, rather than a single one.
