designs, copyrights and trademarks, among other things. Most often, such rights originate with a commercial entity and the owner retains the rights throughout their lifetimes as legal leverage against competitors.

## **The ABCs of Licensing Intellectual Property: IP Law Bulletin**

Licensing law relates to the authorized use of a copyrighted work. Whenever any original work or art, literature, or music is fixed in a tangible medium (i.e., written down, painted, recorded, etc.) it is automatically copyrighted in the name of the creator. The creator now owns certain intangible property rights in the work called intellectual property rights.
