Understanding Florida Medical Malpractice Laws | The ...

A medical malpractice lawsuit is a complicated undertaking. That's true in every state, Rhode Island included. It's not just because legal issues and medical evidence can get quite complex in these kinds of cases. It's also because a medical malpractice plaintiff (the injured patient -- or the patient's legal representative) must comply with the statutory time limits for filing the lawsuit, and typically needs to work with one or more medical experts in order to prove his or her case.
