The book is a follow-up to her father's 1996 best-seller, *The Millionaire Next Door: Surprising Secrets of America's Wealthy*. The 1996 classic, *The Millionaire Next Door* is the result of Stanley's survey of thousands of households from affluent zip codes around the country. Stanley was one of the first researchers to codify and study habits of the truly wealthy.

The Millionaire Next Door Book Summary. The primary reason that millionaires are economically successful is that they think differently. Most of them do not have all of their wealth tied up in their stock portfolios or in their homes. Controlling one's investments is crucial; you can't control the stock market.

If you're a woman (like me), you probably noticed that his original Millionaire Next Door book featured almost all men (92% men, according to Page 11 of this book). This book is primarily about women business owners, although toward the end he does feature women who achieved millionaire status through part-time work, and through regular jobs.
