That's why, over the years, we've  
worked relentlessly to improve our  
Okuma Sampling Path (OSP) control, the  
foundation upon which our OSP-P300A  
control is built. From the first iteration to  
the one being used today, every  
element of the control was designed to  
provide one thing for our customers:  
increased operator productivity, no  
matter ...
