P3 System Manual

In 2009, I wrote Options Trading in Your Spare Time after successfully trading options for approximately 7 years. I LOVED that my book helped so many people achieve financial independence through trading, just like I had. In 2010, I created something called the P3 System, a strategy that zeroed in on a chart pattern that pinpointed when a stock was ready to significantly pop up in value.

P3 Squeeze by Wendy Kirkland - P3 System

The P3 System not only increases the potential for profit, conversely, it deceases the chances of loss. If a stock trades above the agreed upon sale price (strike price) of the underlying asset before the expiration date of the option, your "call" option becomes very valuable... and if it doesn't...well, the option could become worthless.
