## **How to Produce Your Own Play**

You might have sent your precious play off to a theatre-or even several- and not had the response you want. Or maybe, you're not writing the kind of stuff that's easy to produce at the moment. Theatre is a fickle creature and she likes what she knows. But you don't always have to compromise or put your script in a drawer; there is ...

## **Theatre Articles -So you want to put your own play on. How?**

To produce a play, start by deciding on a script, and finding a director who can bring it to life. Then, pitch your production to investors so you can secure funding. When you have the money to move forward, lock down a venue, have auditions to cast your play, and hire support staff, like costume designers and sound technicians.

## **How to Produce a Play: 14 Steps (with Pictures) - wikiHow**

That doesn't mean your play won't get produced, but it does mean you need to find out if there is an audience right for your piece. When submitting a play to developers or producers, take a look at their past productions, recent connections, and current audiences.

## **How can I write a play that will get produced? | YoExpert Q&A**

For your performance, make sure that the theater is clean and ready. Consider printing a program in which you list the cast and crew by name, in which you give thanks to everyone involved in the production of your play. Consider selling ads in the program to raise money.

## **How to Put on a Play (with Pictures) - wikiHow**

But if you start with a budget that contains all of the items listed here, you will be able to fill in the amounts based on your individual situation and your choice of play, and thus determine whether you can afford to mount the production, and what arrangements you will need to make to finance it. It boils down to doing the research.
