The first assessment on Reading Attitude I chose was published as part of an article about reading motivation assessment in the journal "The Reading Teacher" in 1996. While I understand that there are more recent versions of the assessment, I decided to use this version because it was readily available at varied online sources at no cost.

Critical Reading Article 1: The History of the Trombone. Paraphrase The first trombones originated in Belgium and were called sackbutts. They were very small as far as dimensions of the bell and the tubing; almost like a trumpet except with a slide instead of valves. ... State the main point of the article in one or two sentences: The first ...

Critical Reading - Trombone Plying

Predicting Predicting is an important reading strategy. It allows students to use information from the text, such as titles, headings, pictures and diagrams to anticipate what will happen in the story (Bailey, 2015). When making predictions, students envision what will come next in the text, based on their prior knowledge.
