### Introduction in: Rethinking settler colonialism

Rethinking Greek Migration as Settler-Colonialism By Andonis Piperoglou In April 1925, a royal commission was appointed to “inquire into and report on the number of aliens” living and working in northern Queensland, Australia. In the commission’s report it was noted that in the rural town of Babinda two men had previously worked in the United States.

### Rethinking Greek Migration as Settler-Colonialism

A settler colonial history would also emphasize the similar global practices used to deny indigenous land rights and preserve the best lands for settler populations. Often settler regimes pursued the subjugation of indigenous groups through contrasting yet complementary policies.

### walk on: A Settler Colonial Global History

The history of the United States is a history of settler colonialism—the founding of a state based on the ideology of white supremacy, the widespread practice of African slavery, and a policy of genocide and land theft.... Writing US history from an Indigenous peoples’ perspective requires rethinking the consensual national narrative.

### US Settler Colonialism--Driven by Genocide and Land Theft

Settler Colonialism Settler colonialism is a distinct type of colonialism that functions through the replacement of indigenous populations with an invasive settler society that, over time, develops a distinctive identity and sovereignty.

### Settler Colonialism - GLOBAL SOCIAL THEORY

Cloth. £50.00. ISBN 0-7190-7168-2. Rethinking Settler Colonialism, part of the 'Studies in Imperialism' series, is a collection of essays which explores the histories and continued impact of contact between indigenous peoples and settler communities in different geographical and cultural settings.

### "Rethinking Settler Colonialism: History and Memory in ...

In his recent book, Replenishing the Earth, James Belich attempts to explain the explosive growth of the Anglo-settler colonies of North America and Australasia during the period from the late eighteenth to the early twentieth centuries, commonly referred to as the long nineteenth century. Curiously, however, while both may be seen to be important, Belich does not appear to take into account either nuances of the concept of settler colonialism articulated by settler colonial scholars or the ...
