© IWM (MH 23543) The 1956 Suez Crisis, when Britain along with France and Israel invaded Egypt to recover control of the Suez Canal, was arguably one of the most significant episodes in post-1945 British history. It's outcome highlighted Britain's declining status and confirmed it as a 'second tier' world power.

Why Was The Suez Crisis So Important? | Imperial War Museums

Historians conclude the crisis "signified the end of Great Britain's role as one of the world's major powers". The Suez Canal was closed from October 1956 until March 1957. Israel fulfilled some of its objectives, such as attaining freedom of navigation through the Straits of Tiran, which Egypt had blocked to Israeli shipping since 1950.
