Capitalism

Essentially, The New Spirit of Capitalism is the history of a perilous dialectic, the dangerous Hegelian dance of critique and capitalism. Capitalism has, more often than not, exhibited a near-limitless capacity to absorb and mobilize even the most devastating critiques, integrating them into its chain of command.

What they describe as

Online Library The New Spirit Of Capitalism Luc

the "spirit" of capitalism is simply the mechanism through which the dominant class acquires the subservience of the rest of society to the continuation of the existing system. Especially fascinating is the dialectical tension between the 'spirit of capitalism' and the critique directed at it.
