What is the Purpose of Profit? Profit is a wonderful driver of efficiency. The quest for profit is also a powerful stimulus to value creation in our economy. And from the perspective of organizational goals, the drive to maximize profits is very straightforward; the bottom-line focus brings tremendous clarity to business operations.

The Purpose of Profit

the-purpose-of-profits There's still a desperate and really rather sad misunderstanding of the purpose of profits out there. Our first example is about rubbish and recycling: It is far more profitable and much less labour intensive to dump unsorted garbage in a landfill than it is to separate it for compost or recycling.

What is the Purpose of a Profit Center in SAP?

A nonprofit or not-for-profit business is one that provides goods or services to consumers, but its primary goal is not to return profit to the owners of the business (as is the case with a for-profit business). Instead, it uses those profits to provide a public service, advance a cause, or assist others.
