The Second Coming John Niven

The Second Coming is the first John Niven book I've read and what an introduction! However, it comes with a health warning.....if you are precious about religion, this book is not for you! Religious fundamentalism, mainly in Christianity, takes a hammering as Niven questions the direction religion has taken.

Niven's 'conceit' might be considered blasphemous by some, but then this satire is not meant for them. God has been on a fishing trip, which on Earth Time has been about 2,000 years. Upon his return he finds out what has transpired during his absence, which throws him into a fury & he decides to send his son, Jesus, back down again to fix things - thus 'The Second Coming.'

Would you consider the audio edition of The Second Coming to be better than the print version? I haven't read the print version. If you've listened to books by John Niven before, how does this one compare? This is my 1st John Niven book & I shall be listening to more. Which character - as performed by Nick Landrum - was your favourite?
